**GENERAL LEE
 HAS APOPLEXY**

(By Scripps News Association)
 Washington D C, April 28—General
 Fitzhugh Lee was stricken with a se-
 vere attack of apoplexy while enroute
 to this city last night from Boston on
 a Pennsylvania train. He arrived
 here at ten o'clock this morning, and
 was given immediate medical atten-
 tion.
 General Lee was taken to the pro-
 vidence hospital. It is stated that the
 entire left side is paralyzed, and
 his condition is most grave.

Scores Rockefeller

Boston April 28—Dr Washington
 Gladden, the moderator of the council
 of the Congregational church in this
 country, yesterday made public paper
 before the protesting committee, in
 regard to the acceptance of the Rocke-
 feller gift. Among other things in
 the paper he presented, Dr Gladden
 reviewed at length the history of the
 Standard Oil in various states, where
 he said there have been violations of
 the law, and he asserted, "the com-
 pany has played continuously with
 cheated cards and loaded dice."
 The company's alleged system of re-
 bate was condemned as "abhorrent
 practices"; and Dr Gladden added:
 "There is nothing more startling nor
 more ominous in American history
 than the fact that such a tremendous
 industry has been permitted to go on
 year after year with no interference
 by the government."

Millionaire In Jail

Pittsburg April 28—James B Laugh-
 lin, treasurer of the famous steel firm
 of Jones & Laughlin, worth \$5,000,-
 000 in his own name, was arrested as
 an early hour yesterday morning while
 trying to use his night key to let him-
 self into his home. He was mistaken
 for a burglar by a special policeman,
 and in spite of the protests of the
 multi-millionaire, dragged into a po-
 lice box, bundled into a patrol wagon
 and locked in a dirty cell. He was re-
 fused the right to telephone to the
 butler or his wife, the police telling
 him that all good burglars had alibis.
 His wife finally came, identified him
 and he was released.

She Paid It

Yesterday afternoon while making
 the rounds of the city, Marshal Ray-
 burn found an Armenian woman ped-
 dling in the outskirts of the city with-
 out a license. He immediately took
 her in charge and presented her case
 to Recorder Snook for adjudication.
 Recorder Snook told her to pay her
 license, which was \$2.50 per day, but
 as it was then past four o'clock, she
 pretended she had not sold a sufficient
 quantity of her "hand made lace" to
 pay her license. Finally Marshal
 Rayburn correctly sized up the situa-
 tion and started off with her to the
 city jail. After going about two
 blocks she finally thought of an inside
 pocket that evidently she had no in-
 tention of opening, but called the
 march to the jail off and paid over the
 money, stating that La Grande was no
 good and she would find an "easier"
 town.

She put up quite a bluff but it did-
 n't work. If these people want to do
 business in this city, they must com-
 ply with the city ordinance which re-
 quires a license of \$2.50 per day and,
 if they pay this, they must make a
 much larger profit than these same
 goods can be purchased for, at any of
 our retail stores.

It would be the proper thing when
 a peddler calls at your house to im-
 mediately phone the Recorder and
 ask if a peddler's license had been
 issued that day. These people do not
 pay any taxes. They do not help sup-
 port our churches, our schools, build
 roads, take stock in enterprises that
 build up payrolls, lend a helping hand
 in sickness and destitution, build ce-
 ment walks, subscribe money to county
 seat lights and many matters of public
 interest. If you are as loyal to the
 city of your choice, as are the business
 men, you will not buy of peddlers

**SCHWAB BUILDS
 RUSSIAN SHIPS**

St. Petersburg, April 28.—American
 superiority over foreign rivals again
 triumphs in the complete success
 which has crowned the visit of Charles
 M Schwab to St. Petersburg.
 Mr. Schwab's negotiations with the
 Russian admiralty have resulted in
 the practical conclusion of an arrange-
 ment for the construction of a number
 of formidable lines of battle ships of a
 type which probably will startle the
 world. Mr. Schwab will leave St.
 Petersburg tomorrow.

**LOOMIS ACCUSED
 OF TAKING PAY**

(By Scripps News Association)
 Washington, April 27—Secretary
 Taft today submitted to assistant sec-
 retary of state, Loomis, a communi-
 cation from Minister Bowen, at Caraca-
 s, containing the substance of the stories
 recently circulated in Venezuela, re-
 garding the acceptance by Loomis of
 ten thousand dollars from the asphalt
 company for services rendered while
 minister to that country. Loomis is
 formulating his reply in detail.

**INSURGENTS TAKE
 ARAB CAPITAL**

(By Scripps News Association)
 Constantinople, April 28—A dis-
 patch here states that Bama, the cap-
 ital of the Ymen province in Arabia,
 surrendered to the insurgents on April
 20th. The town of Menakabi, with a
 garrison of a thousand, is now be-
 sieged.

Music

R P Taft, the pioneer music teacher
 of Grande Ronde Valley, is still in the
 ring. During my vacation I made it
 my business as well as pleasure to at-
 tend concerts, operas, and in fact
 everything in my line of business and
 I found that I, as a teacher, and in-
 terpreter of music am still in the front
 rank. Pupils who do not wish the full
 conservatory course may take the pop-
 ular piano course. This places the
 pupil in position to play the popular
 music of the day, Church and Sunday
 School music.

The Violin popular course places the
 pupil in position to play all kinds of
 dance music as well as light overtures.
 Quite a number of musicians who have
 been under my instruction are now
 making good money as teachers and
 soloists. Pupils who are under my
 care will be thoroughly instructed in
 music

**LA GRANDE SCHOOL
 OF MUSIC**

PROF. DAY, Principle.
 MRS. DAY, Assistant

This is one of the best musical in-
 stitutions in the state. During the
 year 1904 there were nearly four
 thousand lessons given. The people
 in this city and valley are begin-
 ning to discover the great advantage
 of this school. The system used is
 the latest and most practical, and
 includes all the latest discoveries
 in the art of teaching music. The
 school is divided into two depart-
 ments; No. 1 is for beginners, from
 5 years up, and taking in the 1st to
 3rd grades. In this department
 pupils come one hour every day.
 In No. 2 the grades are from 3 to
 15. Here they graduate. Pupils
 take one or two lessons a week as
 they desire. No scholars will be
 permitted to remain in this school
 who do not study.
