The course of study at standard osteopathic colleges is now three years of nine months each, or twenty-seven months. The standard colleges of medicine have four-year courses of from six to nine months each, or twenty-four to thirty-six months; so that osteopathic educational requirements average up very well.

While Ben Scott, the accommodating salesman at the Book & Thomas meat market, was handling a 22 calibre rifle last evening, the gun dropped from his hands and the load was discharged, sending the ball through the fleshy part of his arm. The wound is not a very serious one, though it is only by a lucky accident that he was not dangerously injured.

Mr. and Mrs. C. G. Eubanks, who have recently arrived from Oregon City, have secured the Ellis Kirtley residence on Fourth street. Mr. Eubanks has accepted a position with the La Grande Drug Company. Mr. Eubanks is no stranger in our city as Union county is his native home, having resided here many years prior to residing in Oregon City.

IN THE COOKING

That makes most of the difference between a good meal and a poor one. The best food will be spoiled by poor cooking. We are to prudent to waste good victuals by poor cooking. The patrons of our restaurant are very particular people. If our dishes were not properly cooked we would lose the victuals and their patronage as well. So you can always be sure of a first class meal here. We cannot afford to serve any other kind.
