### Elgin Recorder

Let Elgin celebrate the coming 4th. of July.  
O J Scriber was a visitor from La Grande Tuesday.  
Mr and Mrs J B Thoren are visiting in Wallowa county this week.  
Geo. Palmer, president of the La Grande National Bank, was in the city Tuesday.

All the farmers of Elgin's surrounding country state that crop prospects for our section were never better. Fall sown wheat is looking exceptionally fine and a record breaking crop is predicted.

The Vergers Telephone Company completed the work of installing their telephone system in Elgin this week, connecting us with Grande Ronde valley towns. They have a large local exchange in this city.

### Oregon Ahead

It is stated in a dispatch from Washington that the fish commission has decided upon the following assignment of fish and eggs for the northwestern states, Idaho 290,100, Montana 3,456,640, North Dakota 412,540, Oregon 30,417,614, Utah 287,534, Washington 29,768,418. From this report it is seen that Oregon will receive the best support from the commission, and her magnificent streams and lakes are certainly entitled to such a consideration.

### Local Items

Senator Walter Pierce, while in the city this week stated truly one half of the fall wheat crop of Umatilla county had been reseeded.

J W McAllister the proprietor of the Spring Brook dairy has put on an up-to-date delivery wagon. John says that while the wagon looks alright on the outside it is the quality of its cargo that shines best.

Commencing Tuesday and continuing until Thursday the Methodist Conference will convene in this city. There will be quite a number of the ministers present during the session.

A stranger on our streets remarked today that he could read "good crops" upon the face of every farmer that drove into town to lay and by the way he remarked "there were quite a few who drove in."

The recently built electrically operated locomotive on the New York Central, recently hauled a heavy train from Croton to New York at a speed of 83 miles per hour.

### Good For The Women

There's no questioning the fact that the women of The Dalles have the improvement fever, and its telling greatly on the appearance of the city too. Some of them have adopted the plan of putting in curbside about their lots and planting flowers therein. We notice that Mrs Filoon has planted rose bushes, Mrs Jesse Blakoney geraniums and other flowers and Mrs Harkness is now busy at work making the surroundings of her home more neat by putting in geraniums.—The Dalles Chronicle.
