Local Items

Parties are investigating the pro-
position of building a cannery in
Eagle Valley.

Several holes in the side walk have
been filled in during the week. Let
the good work continue, there is still
room for further effort.

G W Thomas, of the firm Brock &
Thomas, expects to leave Tuesday for
Prescott, Arizona, to be gone about
three weeks. He takes the trip with
the hope that his health will be ben-
efited.

At a public meeting held a few days
ago in Ashland, \$1400 toward a \$3000
fund was raised and placed in the
hands of the Board of Trade to bring
people to Ashland during the year.
This is in addition to the \$3000 given
by the county court for their county
exhibit for the Lewis and Clark fair.

Workmen are working today put-
ting in new shelving and fixtures in
the Hasset building near the post
office, for Segrist Brothers who will
open a Jewelry store. These gentle-
men are at present engaged in the
Jewelry business in Washington.
They expect to put in the largest
stock of jewelry in Eastern Oregon.
They will be ready for business early
in the month.

Members of the G A R and W R O
are requested to meet at the I O O F
hall at 1 o'clock p m sharp Sunday for
the purpose of attending the funeral of
comrade J W Cowan.

W J Black arrived at Echo, from La
Grande, on Monday, and will relieve
Kury Jones, who has had charge of
the Amalgamated Sugar Beet Co.'s
large tracts in this locality. Mr. Jones
will return to La Grande, remaining
in the employ of the company.—Echo
News.

Wm Hall, while in the city this
morning, stated that if we continue to
be blessed with these nice warm show-
ers during the next few weeks that the
valley will be able to make a showing
at the fair that will be a wonder to
our eastern friends.

J F Alden is down today from Stark
ey.

A E Green the special agent for the
Interior department has returned to
Portland.

Two car loads of work horses from
Elgin passed through the city last
night enroute for Seattle.

Mrs. Cora Lewis returned last even-
ing from Wallowa where she has been
visiting relatives.

H L Johnson is up from Sumner-
ville today stating their crop condi-
tion are exceeding bright.

The M E Parsonage now shines re-
splendent with a coat of fresh paint.
The improvement is more than notice-
able.

Fishermen are bringing in some
good catches from the river. Yester-
day some splendid strings were ex-
hibited.

The La Grande base ball boys will
cross bats with the Pendleton team to-
morrow. The return game will be
played here on May 21.

The portage railroad between Celilo
and The Dalles is well under way and
a party who passed through there Sun-
day states that undoubtedly Governor
Chamberlain will succeed in having
the construction work finished in
May.

W D Arnold, a former well known
lumberman of this county, arrived
from Portland this morning. Mr. Ar-
nold was Commissioner several years
and his friends tried to have him ac-
cept the nomination for county judge
three years ago.

Messrs. Vorge and Williams, who are
largely interested in the Farmer's tele-
phone company were in the city this
afternoon. They state that they have
just sent for the switch board to be
used in this city and upon its arrival
they will add several new phones in
this city.

We noticed today coming into the
city within the same block, three rigs
with cream cans for the creamery, one
load of hay, a wagon load of hides and
a load of old iron for the Iron Works.
The diversified interests of the county
were represented in a measure at a
glance.

Rev. J Franklin Day, pastor of the
First Baptist Church, expects to leave
Monday morning for St. Louis, to at-
tend the Baptist anniversary. Mr.
Day is taking a large selection of
printed publications descriptive of the
state, which he will place to the best
advantage while absent.

Call and Examine Our Spray Pumps

MRS. T. N. MURPHY,
BUILDERS' HARDWARE, CUTLERY ETC.

Captain and Mrs A M Paul received
word yesterday from their daughter
Miss E Raubenla, who has been in
Paris the past two years studying
music and French, that she would sail
for home May 11.

It is reported that Prof E B Conklin
has invested in an alfalfa ranch of 60
acres near Ontario and will go there
to teach this next year. The gentle-
man is probably preparing to make a
change in his occupation.

A W Louie expects to leave Monday
for Buffalo where he goes as a delegate
to the grand lodge of the B of E T.
He will also visit his old home in In-
diana while absent. He expects to be
gone about three weeks.

What Is It?

Can you define Osteopathy?
Do you know what it really is?
Osteopathy is the new American
science of bloodless surgery and drug-
less medicine.

It is based upon a comprehensive
knowledge of human anatomy and
physiology and it diagnoses disease as
due to mechanical causes.

Its practice restores the sick to
health and the deformed to useful
lives by correcting faulty adjustment
in the tissues of the human organism.

IN THE COOKING

That makes most of the difference
between a good meal and a poor
one. The best food will be spoiled by
poor cooking. We are so prudent to
waste good, vitamins by poor cooking.
The patrons of our restaurant are very
particular people. If our dishes were
not properly cooked we would lose the
vitamins and their patronage as well.
So you can always be sure of a first
class meal here. We cannot afford to
serve any other kind.
