CONTRACTORS

HOOD RIVER ACTIVE

The business men of Hood River have done nobly, in five days having subscribed over $15,000 of the $20,000 block of stock they were asked to take by Messrs Wilbur & Wright, the men who placed the proposition for a woolen mill before the Commercial club last Wednesday night. The committee having the matter in charge is confident that the remaining $5000 can be raised if each man who has the interest of the city at heart will do his best toward assuring the location of this mill here.

It is no bonus these gentlemen from Union are asking. They have made a straight business proposition by guaranteeing to pay eight per cent interest on the stock subscribed. A portion of the proposed site will be donated free by Mr Wilson, the company agreeing to take power from him, and Mr Bachelder of the Development company will give the remainder of the needed site for a consideration of one thousand in stock. With the necessary site thus secured on such favorable terms, and all but a few thousand dollars lacking in the stock subscription, Hood River will not, we are confident, let the opportunity go by to secure a mill.

Why we should have the mill is obvious to any thinking man. The business men, farmers and all interested citizens are requested to attend a mass meeting at the rooms of the Commercial club Saturday afternoon at 4 o'clock, when it is intended to complete the subscripsion list.—Hood River Glacier.

Name Him

In its Saturday's issue the Pendleton Tribune in its editorial columne, speaks of two men of the state who are mentioned as possible candidates on the Republican ticket for governor as follows. Evidently neither of the gentlemen are its choice. Who is your candidate brother?

"Hon E L Smith was chosen president of the Oregon Development league, but that is not a step up the gubernatorial ladder."

"Dr J Withycombe wants to be governor of Oregon, but just why the people don't know. By the way, he made a speech at an Echo picnic once upon a time beneath a vernal shade and no doubt has similarly addressed other audiances in the state on agricultural topics and "jokes."

THE CURE OF CONSTIPATION

It is the common experience that axatives, purgatives and cathartics do not cure constipation but render it more stubbornly chronic. It is the common experience that Osteopathy not only relieves costiveness, but regu laces the bowels permanently. That is because nothing artificial is added to make the bowels active, except Nature's own medicine—an adequate blood supply; but when this is properly secured, stomach, bowels and digestive glands all resume normal operations and constipation is soon forgotten. The worst cases of constipation sometimes yield to Osteopathy like magic.

AN OFFICER COMMITS SUICIDE

Salt Lake May 1— Captain W A Raibourne, Twenty-ninth infantry, U S A, committed suicide at Fort Douglas early today, after making a murderous assault on Lieutenant William H Point, also of the Twenty-ninth infantry. Point was shot twice by his superior officer, one bullet penetrating and another inflicting a deep flesh wound in his right leg. After Lieutenant Point had fallen Captain Raibourne turned his revolver on himself, sending a bullet into his head about three inches behind his right ear. He died almost instantly.

Captain Raibourne had been drinking heavily and the tragedy was an outgrowth of his arrest on Tuesday last on a charge of drunkeness.

Winter Irrigation

J E Reynolds and A E Huff are experimenting with winter irrigation which has proved successful almost wherever tried. Mr. Reynolds has three hundred acres in alfalfa and if this experiment proves as successful as he has every reason to believe it will, he will put in 300 acres more.

Bonds Carry

The result of the school election held in this district Saturday means that La Grande will have another school building. The total vote cast was 114 of which number 89 was for bonds Over three to one in favor of the increased accommodations.

This will be the means of increasing values in the northern portion of the city, or in other words make it more desirable for homes.

LA GRANDE SCHOOL OF MUSIC

PROF. DAY, Principle. MRS. DAY, Assistant

This is one of the best musical institutions in the state During the year 1906 there were nearly Four thousand lessons given. The people in this city and valley are beginning to discover the great advantage of this school. The system used is the latest and most practical, and includes all the latest discoveries in the art of teaching music. The school is divided into two departments; No. 1 is for beginners, from 5 years up, and taking in the 1st to 3rd grades. In this department pupils come one hour every day In No. 2 the grades are from 3 to 15. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study.
