### Forty Work Horses

Dr P A Charlton, was out to the Ruckman farm this morning. He reports that when dinner time comes at the Ruckman farm it looks as if the Russian army was making a cavalry charge upon the farmhouse, as forty horses are brought from the fields to be watered and fed. Forty work horses on one farm is a sample of how the Grande Ronde valley farmer does business.

The opposition brought suit against him on the ground of ineligibility, taking the ground that a retired army officer could not become mayor. It was feared by the followers of Senon that the suit would be followed by an injunction.
