**THE CURE  
OF CONSTIPATION**

It is the common experience that  
axatives, purgatives and cathartics do  
not cure constipation but render it  
more stubbornly chronic. It is the  
common experience that Osteopathy  
not only relieves costiveness, but regu-  
lates the bowels permanently. That  
is because nothing artificial is added  
to make the bowels active, except  
Nature's own medicine—an adequate  
blood supply; but when this is prop-  
erly secured, stomach, bowels and di-  
gestive glands all resume normal oper-  
ations and constipation is soon for-  
gotten. The worst cases of constipa-  
tion sometimes yield to Osteopathy  
like magic.
