## New Sugar Factory

E J Merrill and others who are engaged in securing beet acreage for the Boise valley sugar beet factory, report that fully 300 acres will be signed up by Saturday night of this week. The agents are greatly pleased with the manner in which Boise City land owners take hold of the matter. To lay John Lemp contracted to raise 100 acres of beets on some of his ranches.

Large owners here would do as well the factory would be located at Meridian. That is the point where it would be of most value to this city.

If the 5000 acres required should be signed up within the next two weeks, orders for machinery would be placed at once, and work on the buildings would begin as soon as plans and specifications are adopted.

The factory at Sugar City is one of the finest buildings of brick and stone in the state. Its appearance adds very much to that section. The Boise valley factory, it has been given out, will be built very largely on the lines of the million dollar plant at Sugar City. —Boise Capital News.

## Dry Creek Driftings

A good program was rendered consisting of recitation, songs, and much fine music as the local players were ably assisted by Mr W Smith of La Grande with his mandolin. At a late hour all departed declaring they had had a good time and long live the M B A.—Omega.

## Woman Slays Son

Seattle, Wash, May 5.—Mrs Nels, E. Nelson, wife of a Cottage lake farmer, attacked her 8 year old son with an ax and fatally wounded the child.

Several days ago a neighbor's house burned and the inmates had a narrow escape from death. The incident appeared to pray on the mind of Mrs Nelson who has been in poor health for several months. Finally she became crazed over the matter, and yesterday afternoon she went to the woodshed, armed herself with an ax and attacked her son, Samuel, without warning. "I wanted to save my children from the fire," she sobbed in explanation of her action.

## Man's Unreasonableness

is often as great as woman's. But Thos. B Austin, Mgr. of the "Republican" of Leavenworth, Ind., was not unreasonableness, when he refused to allow the doctors to operate on his wife, for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then sick, she could hardly leave her bed, and five (5) physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured, and can now perform all her household duties." Guaranteed by Newlin Drug Co., price 50c.

## Business Closed

Warsaw May 5—All business, and street traffic particularly, ceased at noon. The offices and stores are closed and have their shutters up. Some of the houses are barricaded. A few merchants who tried to keep open were visited by pickets of workmen who ordered them to shut their places of business immediately. Nearly all the street cars have stopped running and the cab service was entirely suspended. Many cabs earlier in the day were stopped by parties of youths who compelled their occupants to alight, in some instances forcibly throwing them out of the vehicles, and then ordered the drivers to go home.

Immense crowds went to the cemetery where the victims of Monday's shooting are buried.

## Triple Tragedy

Clayton N M May 4—Felix Alore, a wealthy ranchman, today shot and killed Mr and Mrs Francisco Montorio at Bidgham, 35 miles south of Clay-ton; and then blew out his own brains. Mr Montorio is a member of one of the oldest Spanish families in the country and Mrs Montorio was noted for her beauty.
