Water Superintendent Gilman has a notice to water consumers which lawn owners should read before beginning to dampen the lawn.

The La Grande High School track team learned a few things at Union Saturday and the next meet will demonstrate the fact that our boys are willing to learn.

The woman who does a part of her buying at your store expects the home newspaper to contain your advertisement every day. It is a part of her daily reading; and to "drop out" now and then is to weaken her interest in your store.

Klamath county with its recent slaughter of a band of sheep and the probably killing of the two herders, has furnished the first fuel to the revengeful flames of the so called "range war." Crook county has been a little slow this year in the matter of making a substantial move for first place, but it is not likely that she will allow the pennant to be placed outside of her territory when the final counting is made at the end of the season.—Crook County Journal.

The tax payers meeting Saturday demonstrated how the people will attend a meeting when they are made to see the necessity of united effort. The business mens meetings at the club are receiving more attention and therefore more good can be accomplished. Farmers should get together more often and the same is true of the business men. A united effort along the entire line will advance the entire county, and it is an assured fact that La Grande and Union county needs advancements.

Thompson Seton classifies animals as follows regarding speed. First the greyhound with a record of 34 miles per hour, the race horse 32, American pronghorn antelope 30, jackrabbit 28, fox 26, foxhound 22 and American grey wolf 20. A man's best speed works out at about 14 miles an hour. These animal speeds were determined by actual observation with a stop watch. The African black antelope and the hunting cheetah are said to be near the head of the list as regards speed

How many people have you prevailed upon to stop here and see the valley as they go to the fair? You surely know of some eastern friend who will visit the fair, and in doing so, will pass through La Grande. Write to them now and invite them to stop off a day or two.

Never fail to put in a good word for your home town. There is no question, but that La Grande is a good place, and there is no reason why residents should not say so. The plain truth is sufficient. There is no need of enlarging upon the facts. The truth about La Grande and Union county is all that is necessary to make a good impression.

There are many kinds of meat, but we sell only the best kind. A trial order will convince you of the truth of this statement. We kill only the best specimens and kill it correctly.
