The Natural Way

Osteopathy is proving daily that our bodies contain all the elements necessary for health and that health is natural so long as the blood current is perfectly distributed to all parts and there is perfect balance of nerve control. The causes of disease have been demonstrated by Osteopathy to be, in a large measure, mechanical. Therefore, by removing these mechanical causes, the inherent recuperative power of the body is allowed to perform a cure.

Mrs. Josie Summer, Bremond, Texas, writes, April 15, 1905: "I have used Ballard's Snow Liniment in my family for three years. I would not be without it in the house. I have used it on my little girl for growing pains and waxes in her knees. It cured her right away. I have also used it for frost bitten feet, with good success. 'It is the best liniment I ever used.'"

In No. 2 the grades are from 3 to 15. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study.
