He Will Not

At the last meeting of the city council a motion was made and passed that a warrant for the sum of \$169 be drawn in favor of A L Morris, being the sum of his unexpired saloon license when he retired from the management of the Sommer House.

When the recorder delivered the warrants for the signature of Mayor Slater, he refused to sign this one on the grounds that the city had no authority for so doing. That the city issued Mr Morris a license to do business in this city for six months and if he decides to quit at any time before the expiration of that time, the city is not to blame. However, aside from what ever equity there might be in this and similar cases, under the present ordinances there is no authority for such rebates.

Man's Unreasonableness

is often as great as woman's. But Thos. S Austin, Mgr. of the "Republican," of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife, for female trouble. "Instead," he says "we concluded to try Electric Bitters. My wife was then sick, she could hardly leave her bed, and five (5) physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured, and can now perform all her household duties." Guaranteed by Newlin Drug Co., price 50c

Broke Up Fight

Payette May 9—The prize fight which was set for yesterday afternoon on an island in the Snake river, about a mile and one-half from Payette, did not come off according to schedule, owing to the bad weather. The time was changed to 10 o'clock last night when an attempt was made to have the bout in the Whitney packing house, about a mile north of town. The crowd gathered, all arrangements were completed and the principals were in the heat of the first round when F A Smith, justice of the peace, poked his head into the room through a window, ordering the proceedings to immediately stop and at the same time calling upon officers, whom the crowd supposed were with him, to do their duty. The crowd vanished through windows and rear doors, thus breaking up the fight.
