Pacific Coast League EASY FOR OAKLAND

Oakland May 9.—Oakland had a walk over today. Los Angeles played a listless game throughout and despite the fact that they secured 11 safeties, failed to get a runner across the plate. Goodwin was batted out of the box in the fifth when five hits were made off his delivery. Captain Dillon of the Southern team, was put out of the game in the fifth innings for disputing a decision. In the succeeding inning, Smith and Flood, also of Los Angeles, were sent to the bench for finding fault with Perrine's decisions.

Man's Unreasonableness
is often as great as woman's. But Thos. S Austin, Mgr. of the "Republican," of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife, for female trouble. After taking Electric Bitters, she was perfectly cured, and can now perform all her household duties." Guaranteed by Newlin Drug Co., price 50c

GOVERNMENT BUYS A WATER SYSTEM

Washington May 10.—The secretary of war yesterday authorized the purchase of the Sonna waterworks for Boise barracks. The board of three army officers who examined the works on April 15, reported that this system would provide an adequate supply of water for Boise barracks and ought to be owned by the government. They appraised the water system at \$40,000 which sum will be paid over to Mr Sonna by direction of Secretary Taft. The board reports this price is acceptable to the owner. One hundred and sixty acres of land go with the water works, which were found in good condition and capable of supplying 135,000 gallons daily.

Know the People

Mr. Fred Lawson, and brother, Victor Lawson, of the Seattle Grocery Company of this city, are formerly from Marquette, Kansas, where the terrific and death dealing tornado swept the business part of the town Monday at midnight. The Lawson boys are acquainted with the entire number of the long list of dead and injured, and their parents now reside in that place. The course of the tornado barely missed the two story brick building of their father, which was just across the street from the opera house, the latter being completely wrecked by the storm. Mr. Lawson has been attempting to get a wire to his parents at Marquette, ever since he read of the account in the Observer dispatches last night, but has been unable to reach them on account of the wires at that place being down.

Amended Articles

Salt Lake May 10.—The Union Pacific Railway company today filed with the secretary of state amended articles of incorporation increasing the amount of its preferred stock \$100,000,000, as authorized on Friday last at a special meeting of stockholders held in this city. A fee of \$25,000 was paid into the state treasury today when the amended articles were filed.
