## WOMAN'S BITTER ATONEMENT

This play, with which the Graham company opens a three nights engagement at Stewart's opera house on Monday night next, is one of the best of modern drama. It is full of strong situations, thrilling climaxes, and as many patrons of the theatre who are bothered with nerves will be glad to learn, the pistol shooting, blood and thunder business of the old time drama is entirely eliminated.

The characters are sustained by people of recognized ability and the production is as complete in every detail as that given in the Madison Square theatre last season.

The company will reach here on Monday morning from Pendleton where they are now playing a weeks engagement.

## LA GRANDE SCHOOL OF MUSIC

PROF. DAY, Principle.  
MRS. DAY, Assistant

This is one of the best musical institutions in the state. During the year 1904 there were nearly four thousand lessons given. The people in this city and valley are beginning to discover the great advantage of this school. The system used is the latest and most practical, and includes all the latest discoveries in the art of teaching music. The school is divided into two departments; No. 1 is for beginners, from 5 years up, and taking in the 1st to 3rd grades. In this department pupils come one hour every day. In No. 2 the grades are from 3 to 15. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study.
