### The Little People

The way the tiny members of the Williams Juvenile Opera Company conduct themselves on the stage both in singing, dancing and performing is said to be nothing short of marvellous, in fact they have worked themselves from what might be called the bottom to the very fore-most of theatrical companies. The little people not only amuse and entertain, but possess such strong personality and magnetism as to hold their audience's undivided attention during the entire performance. The Seattle Times says: "The performance of the Williams Opera Company last night proved a delightful surprise to the crowded house that purchased tickets expecting to see the usual juvenile performance. They were treated to one of the best shows ever seen in our city for the money."

The little people open a night's engagement at Steward's Opera House on May 23 and theatre goes as well as all others should not miss this opportunity of seeing the greatest American juvenile opera company at these extraordinary low prices. Seats for the entire engagement are now on sale at Jay Van Buren's.

This party ticket provides that ten or more persons shall travel on a single ticket. Two half fair tickets count as one ticket. Limited to ten days. ### Public Opinion

Russia, with a population of 130,000,000, has only 18,334 physicians. In the United States, which has a population of about 78,000,000, there are 135,000 physicians and surgeons. Is it any wonder that our doctors who are in, are doing their utmost to keep others from joining the great army? The osteopaths, for instance. But the latter will get it all right.—New York Press.

Baby sleeps and grows while mammy rests if Hollister's Rocky Mountain Tea is given. It is the greatest baby medicine ever offered loving mothers. 35 cents, Tea or Tablets. Newlin Drug Co.

### To Mothers of Ailing Children

Many little boys and girls in this town are weak, thin-legged, hollow-cheeked and bloodless. We wish every mother could know what our Vinol will do for such children. We promise that it will create flesh, build them up and make them strong, robust and rosy. If it fails to do this we will cheerfully return all the money paid us for the Vinol taken. On these terms it's your duty to try it.
