make a two thirds crop, other berries
are all right.

Good Ball Game

The ball game game yesterday be-
tween Pendleton and La Grande re-
sulted in a victory for the home team
the score being ten to eight in their
favor. In the forenoon the Pendleton
team arrived on passenger train No 6,
looking fit and ready for battle. Al-
though the forenoon indications of
weather did not seem propitious,
yet in the afternoon it was milder and
although a little cold, the game was
witnessed by an immense crowd of
five hundred or more people. The
game was interesting from the begin-
ning to the end, and showed that, al-
though the Pendleton team is a good
one, there is no doubt but that the
home team has the better nine. In
the first inning the home team made
four scores, and it looked like there
would not be much doing, but the
Pendleton team arose to the emer-
gency, settled down to work and gave
the boys a good run for their money.

Among those who accompanied the
Pendleton base ball team here yester-
day were Messrs Loyd Harris, J L Ma-
cey, E E Corby, Roy Alexander and
A F Knight.

ATTRACTIVE SURROUNDINGS

Add to the enjoyment of eating. Our
restaurant is run on this principle and
our tables, not to speak of our employ-
ees, are attractive to the eye. Snowy
linen, shining silver and glittering
glassware make an appetizing prepara-
tion for the good food we serve. And
there is

NO DISAPPOINTMENT

when it is placed before you, perfectly
cooked and in generous proportions.
How we manage to serve such meals at
such modest prices is a mystery to
every housekeeper in town.
