Be Vigilant

There is some good work being done by many residents of this city in assisting in having a correct enumeration taken. Baker City simply passed the matter up until all the reports were in and the work completed, then she began to realize that the showing made was less than that made by the government five years ago. We all know that Baker City has made substantial gains during the past five years. Since the people have taken an interest in the enumeration, quite a number who were missed have been found, and if we all do our duty and see that every body is taken, we will pass the 4000 mark. Make yourself an investigating committee of one and see if all in your neighborhood have been enumerated.

This afternoon is the annual election of officers of the Lyle Tuesday Musical, and next Tuesday the Ladies Neighborhood Club hold their annual election of officers. Both have existed for several years and are organizations of which the city has reasons to be proud.

ATTRACTIVE SURROUNDINGS

Add to the enjoyment of eating. Our restaurant is run on this principle and our tables, not to speak of our employes, are attractive to the eye. Snowy linen, shining silver and glittering glass ware make an appetizing preparation for the good food we serve. And there is

NO DISAPPOINTMENT

when it is placed before you, perfectly cooked and in generous proportions. How we manage to serve such meals at such modest prices is a mystery to every housekeeper in town.
