

An Opportunity For Home Seekers

700 acres of choice Farm and Orchard Land will be sold in large or small tracts to suit purchaser.

This farm is only 15 miles from La Grande, on the Elgin branch of the O. R. & N. Railroad, and is what is known as the Henry Rinehart Farm, and is located at the Rinehart Spur. This farm touches the foot hills, and is watered with numerous springs, and a beautiful spring branch of pure living water. The land may be divided into FORTY OR EIGHTY ACRE TRACTS, every one of which is supplied with living water. This splendid tract contains sufficient land to furnish homes for twenty or more families. Remember this farm is under cultivation and every foot is a wealth producer. One tract now has over ten acres of young bearing orchard, which is ABSOLUTELY FREE FROM PEST.

This farm has a complete railroad and county road connection, and is located in a school district which is free from debt and maintains a good six months school.

Address, HENRY RINEHART, SUMMERVILLE, OREGON. Or call at the farm for full particulars. Terms and complete description.

IF our responsibility of \$137,000.00 is guarantee enough,

IF our rate of interest on certificates of deposits high enough.

IF our rate of interest on loans low enough,

IF the accommodations we afford are satisfactory,

IF you are not already a customer of this bank, then we invite you to become one,

WE guarantee you absolute safety for your funds if intrusted to our care.

HAVING given 14 years of service to the Advancement of the interests of La Grande and Union county we feel justified in asking for your banking business, and we will extend to you all the accommodations your account will justify at all times. Your loans will be restricted only by the security you offer and the balance you keep with this bank.

GOLD FIELDS

GIVING OUT

Washington, May 25—Yukon gold fields show signs of giving out. A report from Consul Smith of Victoria tells of a big decline in the production of gold in that territory last year. The value of gold out put fell off last year nearly \$1,500,000 as compared with the preceding year, the production being \$10,700,000, compared with \$12,100,000 in 1903. Dryness of the season is given as one reason for the poor showing.

The steady reduction in the gold product has had a depressing effect on the business of that region. Consul Smith says that mining in a small way in Dawson vicinity is no longer profitable. Operations on a large scale give more promise of success. However, in 1904, receipts of Canadian offices for miners certificates, placer grants, rentals etc, show a decline as compared with receipts of 1903 and 1902.

Buying Battleships

By Scripps News Association
Marseilles, France May 25.—M Benz the engineer in chief of the Russian navy, is here inspecting ships which are being built for Basia. He announced today that he was going to the United States to purchase three battleships and eight cruisers. He said that he would be presented to President Roosevelt.

Scalp Swindlers

With the arrest of James Eumby and his father-in-law, James Eiggles, police officials believe they have captured the last of an alleged gang of bounty swindlers, who are said to have operated in Utah, Nevada and Wyoming and through whom the state of Utah alone has been swindled out of more than \$100,000. It is believed the gang originally consisted of seven members and included a former official of Salt Lake county, Utah. The method of operation was to ship into states where bounties are paid for the destruction of wild animals pelts brought from South America and other countries where they can be purchased for a low figure. The skins would be delivered to the state or county official and a claim made for bounty provided for by the law.

Robber's Story

Des Moines, Iowa, May 24—Sherman W Morris, alias Frank Shercliffe, faced Tom Dennison, the Omaha politician, for the first time in court this morning, when he told how he robbed S P Pollock, a New York diamond broker, of eighteen thousand dollars worth of diamonds. He said that he did this at the instigation of Dennison, and that Dennison told him Pollock would take a certain train out of Omaha for Iowa. He said that after he robbed Pollock he turned the diamonds over to Dennison who gave him two hundred and fifty dollars. Later, Dennison refused to divide the proceeds of the robbery.
