Self Explanatory

Fort Meade, Dakota,
May 22, 1905.

Mr. Mark D Scott,
La Grande, Ore.,

Dear Sir:

Replying to your letter of the 17th inst., I am pleased to inform you that the cement side walks laid by you last year at this post are in excellent condition and satisfactory in every respect.

The "Ideal" cement of which they are made was given a thorough test by the civil engineer of this place who found that it stood the highest tensile test of the several brands submitted.

This cement is at present being used here in the construction of a 500,000 gallon reinforced concrete reservoir and you may rest assured that it would not have been accepted for this work had it not have been of the best quality.

Yours very truly,
GEO. L. RAM,
Capt. & Q M., 6th Cavalry.

LEWIS AND CLARK SPECIAL TRAIN

San Francisco May 26—The finest special train ever run in the West will be used by the men of California to pay California's official call on the Lewis and Clark Exposition at Portland. The trip is being given under the auspices of the California Promotion Committee and the train will leave San Francisco on June 10, arriving in Portland on June 12, which is California Promotion Committee Day at the exposition. The members of the party will be leading men from all parts of California.

Not only will the party be housed in the finest special train ever run on the coast, but it will be perhaps the most remarkable affair of its kind ever given in the West. The whole Pacific coast is united to a remarkable degree and the pride and interest which California takes in the Lewis and Clark Exposition is scarcely less than that felt by the people of Oregon. This trip will be given for the purpose of expressing the good will which the men of California feel for their northern sister state.

The members of the excursion pay their own way and they have nothing to sell, nothing to buy, nor do they make junking trips of their unique outings. The excursions are given twice a year under the auspices of the promotion committee which is the central organization of the 151 Chambers of Commerce and Development Associations in California.

MANY DOLLARS

Can Be Obtained for a Few Cents

At the urgent request of The Woman's Home Companion, Mr. Paul de Longpre, who is the greatest painter of flowers in the world, consented to make a painting of what he considered "The Three Most Beautiful Roses", and the painting is without doubt one of the masterpieces of this great artist. This magnificent picture is reproduced in all its original grandeur on the cover of the Woman's Home Companion for June. Although this cover is an accurate reproduction of a painting worth hundreds of dollars, yet the June number which has this exquisite cover may be obtained at any first class newsstand or direct from the publishers for the trivial sum of only ten cents.

Mr. Paul de Longpre is justly styled the "King of Flower Painters." He not only paints roses, but every flower that grows and is the highest authority on flowers. His paintings are found in the most select homes. Some have sold for as much as seven thousand five hundred dollars (\$7,500.00).

Artists, art critics and competent judges all agree that the covers of the Woman's Home Companion far excel those of any other magazine.

The Woman's Home Companion is a magazine which in beauty and excellence, art, stories, illustrations and fashions etc, excels all other home and family magazines. The Woman's Home Companion is published by The Crowell Publishing Company, New York City, also Chicago Ill., at one dollar a year, and is the favorite magazine in nearly half a million homes where it is read each and every issue by three million people.
