Katzenjammer Picnic

The musical farce comedy entitled "The Katzenjammer Picnic" will be given soon in the Opera house. Every moment of the two hours is devoted to fun, pure, unadulterated and wholesome. The specialties are all new and novel, so entertaining that the time will speed away. Frocks and Frills is one of the most attractive specialties and will be presented by eight of our prettiest and most popular young ladies. The kids Fritz and Hans are the worst that ever come over the pike but too good to miss. One of the finest specialties will be an Egyptian Ballet given by twelve of our most popular young men.

The costumes will be secured from Portland. It will be one of the best things ever given here. The 50 young people are working day and evening with rehearsals and Miss Thompson is fast giving the amateur entertainment the polish of professionals. She has been exceptionally fortunate in selecting the Katzenjammer cast as each one seems especially adapted to his or her respective character.
