The Nurse and the Doctor

I tell you that the success of a prescription depends on the purity of its ingredients. There is as much variety in medicine as in other merchandise. In our prescription-filling "Quality" is always our first consideration.

You can implicitly trust your prescription to us—quality, accuracy and the right price—are the never failing trio upon which we think we have a right to appeal for your patronage.

Don't Borrow Trouble

It is a bad habit to borrow anything but the worst thing you can possibly borrow, is trouble. When sick, sore, heavy, weary and worn-out by the pains and poisons of dyspepsia, biliousness, Bright's disease, and similar internal disorders, don't sit down and brood over your symptoms, but fly for relief to Electric Bitters. Here you will find sure and permanent forgetfulness of all your troubles, and your body will not be burdened by a load of debt disease. At Newlin Drug Co drug store. Price 50c. Guaranteed.

Man's Unreasonableness

is often as great as woman's. But Thos. S. Austin, Mgr. of the "Republican" of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife, for female trouble. "Instead," he says "we concluded to try Electric Bitters. My wife was then sick, she could hardly leave her bed, and five (5) physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured, and can now perform all her household duties." Guaranteed by Newlin Drug Co., price 50c.

CREDIT TO CAPTAIN BARR

Seeing the Sights

By Scripps News Association

Paris, May 31.—King Alfonso, of Spain, started sight seeing early this morning, accompanied by President Loubet. The King was enthusiastic, and was frequently cheered by the people. After an official reception in the County Hall, the party took luncheon at the Spanish embassy.

PADEREWSKI'S BREAK DOWN

Paderewski's break-down on his Canadian tour calls to mind how very liable the great musicians are to nerve exhaustion. Neuritis is the penalty of using up the energy of motor nerve cells faster than it can be regenerated from food and rest. The strain put upon certain centers by the tedious and protracted practice of pianists and violinists is very great. After a break down rest is absolutely required for recovery. Osteopathy, if given a faithful trial, will usually prevent neuritis by freeing up any pressures that may be impairing the nervous vitality of the muscles involved, as well as securing a normal blood supply for the area of fatigue. By toning up the whole system and promoting healthful relaxation and restful sleep. Osteopathy does everything that can be done to effect a cure in these cases.

The whole evening will be one of jollity and fun. No one can afford to miss it.
