### Don't Borrow Trouble

It is a bad habit to borrow anything but the worse thing you can possibly borrow, is trouble. When sick, sore, heavy, weary and worn-out by the pains and poisons of dyspepsia, biliousness, Bright's disease, and similar internal disorders, don't sit down and brood over your symptoms, but fly for relief to Electric Bitters. Here you will find sure and permanent forgetfulness of all your troubles, and your body will not be burdened by a load of debt disease. At Newlin Drug Co drug store, Price 50c. Guaranteed.

### Man's Unreasonableness

is often as great as woman's. But Thos. S. Austin, Mgr. of the "Republican" of Leavenworth, Ind., was not unreasonably, when he refused to allow the doctors to operate on his wife, for female trouble. "Instead," he says "we concluded to try Electric Bitters. My wife was then sick, she could hardly leave her bed, and five (5) physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured, and can now perform all her household duties." Guaranteed by Newlin Drug Co., price 50c

## Fulton and Roosevelt

A dispatch from Washington states that "Senator Fulton of Oregon is at odds with the president over the appointment of a registrar of the land office at Roseburg, Oregon. The president refuses to appoint a member of the state legislature of the name of Dimmick to the vacancy existing in that office, and Senator Fulton says that he will see that the nomination of Secretary Hitchcock's candidate for the office, a prominent Oregonian named Lawrence, is rejected by the senate. The senator also demands that the order of the president transferring the land office from Oregon City to Portland be rescinded, and on July 1 the Oregon City office will cease to exist.

The trouble grows out of the acute situation in Oregon as a result of the land fraud investigation that has been in progress there for the past two years."

## A Painful Accident

Rev B Hayes' met with a painful accident last Friday evening at his home near Marysville while attempting to put a rope on a horse. His hand was caught in the knot, and the horse pulled back and his finger was nearly cut off before he could release it. Mr Hayes secured medical attention and had several stitches taken in the finger. He is hopeful of saving it from amputation as it happens to be a very useful finger.—Grant County News.
