greatest strength and flesh creator known to medicine. For
old people, puny children, weak, pale women, nursing

An Awakening

I was sitting by my window, on a
glorious morn in spring
Looking at the apple blossoms, listen-
ing to the birds sing.
When there flashed across my vision
such a dainty witching sprite,
That I then and there surrendered,
all my heart to her outright.

All the beauty of the blossom, all the
bird-like jany air,
With the grace of swaying branches,
and, as bird-like, free of care,
And I thought how very fitting, all
things are, this beauteous day,
From the sunshine, and the blossom,
to the child and birdies' lay.

All so innocent, entrancing, making
one harmonious all
That it seemed a stlless Eden, as it
was before the fall.
Sure, I thought, we make our discord,
Life is all a pleasant dream,
And we'd have much more of heaven,
if we'd take things as they seem.

As I pondered, scarcely breathing, lest
the silence, sweet, I break,
Words which shocked, came floating
upward, rousing me to wide awake.
I knew not who met my vision, nor
what their subject was about,
This I heard with tones of plumage,
very coarsely, "cut it out."

Can it be my dainty beauty, that I felt
inclined to praise?
Yes it is, for now she loudly, laughs
and says, "you go and graze."
But I still incline to linger, watching
bird on pine or birch
From the girls came busy murmur,
"O git out." "Come off your
perch."

Now see here, "you're up against it,"
and I think of my old gate,
And I turned, the girls had vanished,
like them, too, I was "too late."
Then I thought of pressing duties, but
my Eden was defiled.
For a snake had crawled across it,
through the sweet lips of the child.

Mine Bonded

H L Russell has bonded a valuable
mining property on Eagle creek,
known as the Martin placers. The prop-
erty consists of 125 acres, carrying
coarse gold, with plenty of water. The
pay bank is all the way from 75 to 100
feet in depth. The Observer was per-
mitted to see a small vial of the dust,
about ten dollars, which carried us
back to former days when gold dust
was the general medium of exchange
in the '70s in Canyon City, Grant
county.

Mr Russell has a copper property in
the Granite district which he is now
figuring on with eastern mining men.

Agents Wanted

A wide-awake man to represent the
"20th Century Wonder" in La Grande
and vicinity. A great money maker
for salesmen and a money-saver to
purchasers. The "20th Century Won-
der" is a device that burns crude oil
in stoves at a cost of less than one
half of wood or coal, making a better
heat. It is convenient and modern.
No ashes to carry away. No kindling
to prepare. Call at once at room 30,
Foley Hotel.

Madame Isis

of Masonville, Ia., "that for Blind,
Bleeding, Itching and Protruding
Piles, Bucklen's Arnica Salve, is the

burns and injuries. 25c at Newlin

GRAINING AND ART DECORAING

Why not get your painting done well
when you can have it cheaper than it
takes for the average dauber to spoil
it? Get used to having nice wood
finishing on the inside of your dwell-
ing. Egg shell and velvet gloss,
"mirror polish" etc. S D Kinney can
grain up your old painted rooms and
make the wood like fine, quartered
oak furniture
