HON. ROBT. EAKIN

On next Monday, June the nineteenth, the annual school election for this district will take place, and a director will be elected. A number of the citizens of the district, realizing the importance of the office and the necessity of electing some one who would have the best interest of the public schools of this city uppermost in his mind at all times, prepared, circulated and signed a petition asking the Hon. Robert Eakin, Judge of the Eighth Judicial District, to accept the office. The petition was signed by almost every voter in the district, and was then presented to the Judge, who

after some days devoted to the consideration of the proposition, consented to accept and allow his name to be presented to the school meeting. The fact that the Judge has accepted the trust will be welcome news to the entire district, as it is a well known fact that Judge Eakin is a firm believer in the upbuilding and maintenance of the public school system of the land, and will lend his efforts in every way possible to the making of the La Grande Public School the best in the state. The school district is to be congratulated upon having secured for one of its agents such an able exponent.

OFFICIAL SCORE OF SUNDAY'S GAME

The Observer was unable to get the score card giving a full report of the game at Elgin between the La Grande ball team and the one at that place, in time to print it yesterday, but it is a very interesting study to lovers of the national game.
