## IMPROMPTU FEAST WILD WEST SHOW

Bliss, Okla., June 13.—Fifty thousand people were entertained by Miller Brothers, at the 101 ranch Sunday, the visit of the National Editorial Association to the ranch being made the occasion for the buffalo hunt, a buffalo dinner and an Indian celebration. The editors, many of whom were accompanied by ladies, arrived on the ranch at 11 o'clock over the Santa Fe in a special train.

The general public had been invited to the entertainment. The Santa Fe railroad, which runs through the ranch, carried 20,000 people to 101, and as many more drove in to attend the show. An immense grandstand extending around the arena was built for the visitors. The arena itself was half a mile long and a third of a mile wide. To handle the crowd required nearly 200 passenger coaches.

The Ponca and Otoe Indians, whose lands are being allotted, had planned a celebration to take place some time during the spring, to which they expected to invite all the other Indians in the territory to help them celebrate the dissolution of their tribal territory. This was arranged to take place at the same time of the editor's visit.

The ranch bought 35 head of buffalo in Montana, and planned a buffalo chase by the Indians. Each one of the special guests, and there were not less than 2000, was served with a piece of buffalo meat in connection with the dinner. Beside the buffalo, the program included a wild west show with roping and riding contests, Indian dances, a stage robbery and a miniature reproduction of the rush into the Cherokee strip. The program also included a parade beginning with the Indians, attired in paint and feathers, followed by the ox team and prairie schooner, and ending with an automobile.

### Mississippi Flood

Hannibal, Mo., June 13.—The flood on the Mississippi has spread over all the low lands and is five to eight miles wide between here and Keokuk. Near Alexandria, Mo., a farmer was drowned and seven other persons are reported missing. The loss of livestock has been heavy and many carcasses are floating past Hannibal. The flood came so suddenly that many farmers had only time to save their families. All available boats are making trips up and down the river rescuing persons who escaped to higher land. At Hannibal a small army of men is working to save property. The manufacturing district and all the railroad yards are flooded.

## GOOD ROADS INTEREST MOVE

Moscow Idaho June 13.—The National Good Roads convention in this place June 15 and 16 will be held in the city park, if the weather is good, in the day time and the evening meetings will be held in the opera house.

Much interest is being aroused over the convention, and one important thing that will be determined by the engineers and others is where the sample mile of road will be built. The Ladies' Cemetery association will request that the sample mile be from town toward the cemetery, which mile would only lack 400 yards of reaching the cemetery grounds.
