## RAILROADS IN PHILIPPINES

Washington June 13—The war department has made public the invitations signed by Secretary Taft for proposals for the construction of railways in the Philippines under the act of congress passed in February for that purpose. An elaborate scheme of transportation is involved. The Philippine government agrees to protect all grantees against intruders, insurgents, rebels and outlaws. One half of one per cent from the gross earnings is to be paid the Philippine government as taxes. The secretary cites the provisions of the law guaranteeing interest for 30 years at four per cent on the first lien bonds, but it is provided that not more than \$1,200,000 shall be paid in interest in any one year.

Bids will be received only from individual citizens or copartnerships of the United States or Philippines or from railway corporations organized and existing under the laws of a state or the United States or the Philippines.

## MISSING VESSEL IS DISCOVERED

Wilkesbarre Pa June 13—News was received today from the three masted schooner Minerva, owned by A. E. Carrick of this city, which sailed from New York for Manila on March 31, 1903 and which was long ago given up as lost.

A few weeks ago the schooner, with only three fourths of her crew dead, one man strong enough to be on his feet, drifted into the harbor of Labuan, Borneo, a helpless wreck. After leaving New York, so the log shows, the schooner was battered by repeated storms and driven out of the path of other vessels and then becalmed for weeks.

Finally as the ship was nearing a long sought port, smallpox broke out. When she drifted into Labuan, three fourths of her crew were dead, three captains delirious and dying, and only a Filipino servant on his feet.

## Royalty to Wed

London June 13—Prince Gustavus Adolphus of Sweden and Norway, arrived in England, yesterday and will remain here until his marriage to Princess Margaret of Connaught. The exact date for the wedding has not been fixed, but it is expected to take place within a few weeks. The bridal couple, on their journey to Sweden, will be escorted from Copenhagen to Helsingborg by the Swedish coast squadron.
