PROF. DAY, Principle.

MRS. DAY, Assistant
This is one of the best musical institutions in the state. During the year 1904 there were nearly four thousand lessons given. The people in this city and valley are beginning to discover the great advantage of this school. The system used is the latest and most practical, and includes all the latest discoveries in the art of teaching music. The school is divided into two departments; No. 1 is for beginners, from 5 years up, and taking in the 1st to 3rd grades. In this department pupils come one hour every day. In No. 2 the grades are from 3 to 15. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study.
