Premier Assassinated

Athens, June 15.—Theodore P. Delavanis, the popular premier of Greece, was stabbed and mortally wounded by a professional gambler named Gherakaris at the main entrance of the chamber of deputies at 5 p. m. Tuesday. The premier died within three hours. The assassin, who was immediately arrested, said he committed the deed in revenge for the stringent measures taken by Premier Delavanis against the gambling houses, all of which were recently closed.

The premier arrived at the entrance of the chamber in a carriage. Gherakaris approached, saluted the premier and opened the carriage door. The premier was in the act of thanking Gherakaris for his courtesy, when the gambler plunged a long dagger into M. Delavanis' abdomen, inflicting a frightful wound.

Located by Diver

San Francisco, June 15.—A diver yesterday morning located the wrecked launch Dewey that was sent to the bay's bottom two weeks ago as the result of a collision with the steam schooner Arctic off the Presidio. Pinned in the cabin against the engine with his left arm nearly severed from the shoulder, the body of Ernest Howell, the unfortunate engineer of the launch, was discovered by the diver. The launch and body were lifted to the surface.

The average attendance at the Lewis and Clark fair since opening has averaged about 10,000. At this rate the total admissions will be about 1,500,000. The eastern rush is not on yet and these figures may be greatly increased.

For Killing Seals

San Francisco, June 15.—The federal grand jury has indicted R. J. Tyson, W. J. Woodson, W. J. Wood and S. E. R. Deasult, four merchants, for having financed a scheme to kill seals in the forbidden waters of Behring sea.

KILLED HER FIVE CHILDREN

Tuonmari N. M. June 15.—Mrs. George Campbell, wife of a prominent ranch man near here, becoming suddenly insane, seized a rifle and chased her husband from home. Before he returned with help she had shot and killed her five children and ended her own life with a bullet through her head.

Cash Value

Assessor Elger states that the assessment of Multnomah county will be increased from \$56,000,000 to \$165,000,000, in other words he is going to assess at true cash value and presume that former assessments have been on a basis of about one third their actual value.

Lynching In Galicia

Pedrolis, Austria Hungary June 13.—The first lynching in the province of Galicia took place yesterday when a band of peasants assaulted the prison and took from it a thief who had been terrorizing the country. A volley of bullets was fired into the thief's body and it was then hanged to a tree.

Will Test Law

The laxative effect of Chamberlain's Stomach and Liver Tablets is so agreeable and so natural that you do not realize it is the effect of a medicine. For sale by Newlin Drug Co.

A Frightful Death

Jerome Aris June 15.—With her little body bruised and torn beyond recognition, Pearl Shibley's lifeless form was dragged into her parents' barnyard yesterday morning at Oak Creek. Around the child's neck was a hi-ching rope which was fastened to the neck of a gentle farm horse that had borne her and her little brother away from home two hours before.

George Duncan brought news of the affair to Jerome last night. When he left Oak Creek a party was being organized to search for the brother who went out with Pearl. It is feared that Pearl, who was 8 years old, has been the victim of an assault, and then tied to the horse to be dragged so that evidence of the crime would be destroyed.

The searching party fears that the body of the missing boy will be found hidden in the brush. The horse ridden away by the children bears a mark as if slashed with a knife to frighten him. Oak Creek ranchers are greatly excited, and should it prove a crime has been committed, will be satisfied with nothing short of lynching.

"CANNIBAL ACT" BECOMES REAL

Sciappa News Association
Vienna Austria June 15.—Three persons were killed and eighteen seriously injured, while forty were slightly injured as a result of a fight at the performance of a street show at Derogyhas, Hungary. A peasant boy volunteered to act as a subject for a "cannibal act", and was severely bitten by a oaged "wild man". The casualties which occurred during the fight were caused by the attempt of the relatives of the boy to rescue him.
