BEST BALL GAME OF THE SEASON

The fans were certainly satisfied yesterday with the ball game. La Grande has seen many good games but few better than yesterday's game. The score stood two to four in favor of La Grande. The Elgin team gave the La Grande boys a good run for their money, but were not quite strong enough to take the cake. The La Grande boys soon saw that they were up against a good strong aggregation, and never for a moment forgot what they were expected to do, and the result was a good close game.
