LA GRANDE SCHOOL OF MUSIC

PROF. DAY, Principle.
MRS. DAY, Assistant
This is one of the best musical institutions in the state. During the year 1904 there were nearly four thousand lessons given. The people in this city and valley are beginning to discover the great advantage of this school. The system used is the latest and most practical, and includes all the latest discoveries in the art of teaching music. The school is divided into two departments; No. 1 is for beginners, from 5 years up, and taking in the 1st to 3rd grades. In this department pupils come one hour every day. In No. 2 the grades are from 3 to 15. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study.

Fierce Fire Raging

Seattle, Wash., June 28.—Fire is raging on Prince of Wales island and many of the residents of the small settlements have fled to the shores of southeastern Alaska, from which the island is separated by Clarence straits, for safety. The fire started more than a week ago at the northern extremity of the island and fanned by the winds from the ocean has swept over nearly the entire length of the eastern shore southward.

Such is the report brought to Seattle this morning by the officers of the Alaska Steamship company's steamer Dolphin, which reached port shortly after 7 o'clock. According to their story no rain has fallen on the island for a month, and the forests of Alaska are so dry as to furnish the finest kind of fuel for the flames.

A Wonderful Feat

The Washington Star tells of one of Uncle Sam's experts in the bureau of engraving and printing who has performed what is probably the most difficult feat of engraving ever accomplished.

Not so very long ago it was believed that the man who first engraved the Lord's prayer on the back of a dollar gold piece had about reached the limit in the matter of wonderful feats with the engraver's tools. Then about a year ago a Philadelphia bank note expert engraved the entire alphabet of twenty six letters on the head of a large pin. This delicate bit of work won considerable fame for the man who did it. Now, how however, Clarence K. Young has accomplished the seemingly impossible feat of engraving two full alphabets, a date and a name on the head of a tiny pin sixty-five one-thousandths of an inch in diameter.

FOLEY'S KIDNEY CURE

Cures Kidney and Bladder Diseases in Every Form—Many People Have Kidney Trouble and Do Not Know It.

HOW TO FIND OUT.

It is the function of the kidneys to filter and purify the blood which is constantly passing through them.

When the kidneys are out of order the other organs are affected immediately and you may have symptoms of heart trouble, stomach and liver trouble, and other ailments, which are all owing to the kidneys being weak and out of order.

If you are sick **Foley's Kidney Cure** will strengthen and build up the worn out tissues of the kidneys so they will act properly and the symptoms of weakness, heart, stomach and liver trouble will disappear and you will be restored to perfect health.

How to Tell if You Have Kidney Trouble.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased and **Foley's Kidney Cure** should be taken at once. **Foley's Kidney Cure** is pleasant to take and acts directly upon the parts affected and you begin to feel better at once.

It corrects slight disorders in a few days and it has cured many obstinate cases after other treatment had failed.

Doctors Said He Would Not Live.

Peter Frey, of Woodruff, Pa., writes: "After doctoring for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me if I had any business to attend to I had better attend to it at once, as I could not possibly live another month, as there was no cure for me. **Foley's Kidney Cure** was recommended to me by a friend, and I immediately sent my son to the store for it and after taking three bottles I began to get better and continued to improve until I was entirely well."

Two Sizes, 50c and \$1.00.
