J. R. OLIVER. UNION COUNTY ABSTRACTS

Farm Loans a Specialty

Best equipped abstractor in Union county. Many years experiences with the Union county records gives me a great advantage. It is folly to purchase real estate without first securing a proper abstract. An abstract from my office will show the title just as it appears on the official record.

A Fearful Fate

It is a fearful fate to have to endure the terrible torture of Piles. Local Items

Ed Kiddie left last night for Portland.

Miss Alberta Hopper is visiting her uncle Walter Hopper, in Pendleton.

Work on the foundation of Dr. Gorpe's two story building commenced yesterday.

The five hundred club was entertained yesterday at the home of Mrs. Gulling.

F. S. Murphy, manager of the Grande Ronde Lumber Co, returned last evening from a business trip to Salt Lake City.

Mrs. A. C. Huntington and Mrs. George H. Curry, George Jr, Helen and Albert are visiting friends in Summerville today.

Remember the recital given this evening at the Presbyterian church by the Misses Young.

Chas. Noyes and sons Ray and Claud returned this morning from the fair. Charley says they had a fine time and money left. They were all well pleased.

The executive committee for La Grande is in session arranging the program for La Grande day at the fair on July 5. Most of those who attend will leave here on the morning of the third. This will give them a chance to be in Portland on the Fourth.

The National Editors Association party, who are touring the coast, arrived on a special train this morning and breakfasted at the Hotel Sommer and then spent a half hour in looking over our city. No one knew that they were coming, in fact the party themselves did not know they were going to leave Portland until eight o'clock last night. They were a jolly crowd of ladies and gentlemen and this was their first visit to this coast for practically all.

Business Change

Messrs. Giffin & Hogan, the well known firm of undertakers, have disposed of their stock of goods to Messrs. Henry & Carr and will leave in a few days for their former home, Butte, Montana. During their business career in our city they have made many friends who wish them well and are sorry to lose them. Mr. Giffin received a very tempting offer to reenter the services of the firm of Sherman & Lee with whom he was associated for six years prior to coming here. Messrs. Henry & Carr for the present will retain the stock in the present quarters in the Lewis building. This now gives them by far the largest and most complete line of undertaking goods in Eastern Oregon and they are in a position to respond immediately to all calls.

Methodist Congress

Since the churches of all denomination have been so great factors in the development of this golden west, the Methodist Congress will be a matter of no little moment to the great majority of the Christian people who will visit Portland on the dates it will be held, July 11-21. The great concert given by Dr. Heritage on the evening of the 14th is an immense affair of itself, a chorus of 500 voices. The sessions will be held daily in the forenoon and evening in the Taylor street Methodist church.

At Hilgard

Hilgard will celebrate the Fourth this year with a basket picnic a ball game and a dance. The Perry and Hilgard ball teams will contest honors and after the ball game the best of music from La Grande will be heard in the La Bra hall and the merry dance will be on. At midnight supper will be served by C. S. Hawes, tickets including supper will be \$2. A royal good time assured all.
