Appearance Of Robbery

Mondy evening after supper the report was brought into town that a man was shot or cut and about dead near the Railroad stock yards, which upon investigation was found to be correct.

The facts as near as can be obtained are that four men whose acquaintanceship was of short duration, met on the street corner and one proposed and did purchase a keg of beer and had it taken to a shady place near the city pumping plant. After reaching the spot, two of the men acting upon the suggestion that a lunch was the proper annex to their already liberal supply of liquid refreshments, returned to town, and after purchasing their supply, upon returning within a few hundred feet of their outing camp they saw one of their comrades striking something with a club. The party seeing the return of his companions, met them and passed them, remarking he had had some trouble. When the men with the lunch reached the place they found the purchaser of the beer in an unconscious condition with his head beaten. The indications are that H C Brown who is under arrest, will have to answer to the charge of robbery on the person of Frank Fiefield. The injured man was brought to the office of Dr Richardson, who dressed his wounds. The case has not been in court pending the condition of Fiefield who is not able to appear in court.

WAS GIVEN UP TO DIE.

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured."
