J. R. OLIVER. UNION COUNTY ABSTRACTS

Farm Loans a Specialty

Best equipped abstractor in Union county. Many years experience with the Union county records gives me a great advantage. It is folly to purchase real estate without first securing a proper abstract. An abstract from my office will show the title just as it appears on the official record.

Local Items

Mr. Bodmer, of Baker City, was a La Grande visitor Sunday.

Mr. James Stotts and wife, who have been attending the exposition at Portland, returned home this morning.

Miss Edna Abbott, of Colfax, Wash., is in the city on a visit to friends and relatives.

Mr. John M. Breathitt, of Indian Territory, stopped over in the city yesterday enroute to the fair at Portland.

Mrs. Alice Ryan, who with her two children has been visiting friends in Hilgard for the past week, returned home this morning.

Mr. D. Fitzgerald, the owner and manager of the foundry in this city, left this morning for Elgin on business connected with the foundry.

Mr. and Mrs. L. Conch, who have been visiting at Portland and attending the Lewis and Clark exposition, returned home this forenoon.

Dr. and Mrs. F. E. Moore, who were at the Portland exposition on La Grande day, returned home this morning. Mrs. Moore was hostess for La Grande at the fair.

It is the same old story. We have had three or four days of good warm weather and the people are already saying "I never saw such warm weather at this time of the year." The weather clerk might as well give up trying to please the people.

Mr. and Mrs. J. I. Blodgett, who were married in this city a short time ago, returned this forenoon from Olympia, Wash., where they have been for some time. They are enroute to Union where they will probably make their home in the future.

Mr. and Mrs. W. F. Snodgrass returned this morning from Portland where they have been viewing the exposition. Mr. Snodgrass states that he was well pleased with the fair and his only regret is that he did not have more time to spend examining the many exhibits.

Circuit Judge Robert Eskin and wife returned Sunday from Portland and the coast, where they have been for several days.

Dr. and Mrs. F. E. Moore returned home this morning from a few days at the Fair and Bellingham Wash., where they visited Dr. Moore's mother and sister.

Weather Observer Worstell reports yesterday as the hottest so far this season. For four hours the mercury stood at ninety seven. It registered ninety six before noon.

Miss Gertrude Ralston who has been visiting the fair returned this morning and reports that she is delighted with the exposition.

Mr. and Mrs. C. D. Emerson, of Lincoln, Neb., are in the city on a visit to the family of their daughter, Mrs. M. Sorenson. After remaining in the city for some time, they will leave for Portland, where they will visit the Lewis and Clark fair before returning to their home.

Officers Rayburn and McLachlen this morning arrested Frank Brown charged with stealing a horse from a horse belonging to John Halley. He was brought before Justice Hough and pleaded guilty and was given sixty days sentence and a fatherly talk. Brown, after taking the horse sold it to Wm. Smith for fifty cents.

Commonwealth, the fine trotter belonging to Mr. N. K. West of this city, Saturday won the stakes at Los Angeles California in the 2:14 race in three straight heats. This makes two races that this horse has made in California this season, and he has been a victor in both cases. This speaks well for Mr. West's stables.

Tea, Coffee and cocoa, according to an annual compilation of the American Grocer, cost the people of the United States, on an average, two dollars and seventy cents last year. Alcoholic drinks cost more than five times as much. All such figures, on a per capita basis, are misleading small, because they are spread over so many persons who are not participants at all. This lowers the average. How much does tea cost the average tea drinker by comparison with the whisky of the average consumer? It would be still more interesting to know that.—Youth's Companion.

To Our Patrons

It has been erroneously reported that our business is to be removed from La Grande which is not a fact. We have bought considerable lumber at Union and other places but that does not necessitate the removal of our office and place of business from La Grande. STODDARD LUMBER CO.

OIL STOVES

Now is the time to keep cool. If you fire up the kitchen range the kitchen will be hot most of the day. Why not get an oil or gasoline stove to do your cooking and baking, and at the same time have a cool kitchen. I have the

WICKLESS OIL STOVE

which gives perfect satisfaction and makes cooking a pleasure. I also have the celebrated
