Business Change

Mr E Polack, recently from New York has purchased the McFarland grocery store and is now in possession of the same. Mr Polack has for a number of years resided in Kansas, where he now has brothers residing who are railroad men, and who if Mr Polack gives a good report of this valley, come here to locate. Mr Polack will be pleased to have all the old customers of the store call and get acquainted with the new proprietor and he also invites those who have not yet visited the store to call. Note his ad in this issue. It contains a good straight-forward statement.

La Grande Wins

Yesterday's base ball game was terminated in the first half of the eighth inning. The reason therefore was the striking of Pitcher McGucken with a pitched ball by Pitcher Ray. At this time the score stood six to eight in favor of La Grande and owing to the fact that Elgin had no other pitcher, they quit the game and Umpire Rider of Elgin awarded the game to La Grande. Up to the time of the accident the game was a good one and in the seventh inning it was still anybody's game. The ball struck McGucken squarely upon left the elbow. Though the bones were not fractured, the accident was sufficient to put Elgin's pitcher completely out of business for the time being, but McGucken will be able to pitch the game at Elgin next Sunday, when another good game is expected. There will be an excursion next Sunday in time for the La Grande fans to reach the ball grounds in time to see the game. As stated before, yesterday's game was a good one and the fans are loud in their praise of the excellent work of the La Grande team and especially so of Ray's work in the box.

Right of Way Age t

Mr J W Morrow, tax and right of way agent for the O R & Company was a La Grande visitor yesterday. Mr Morrow left this morning for Elgin where he goes to purchase the right of way for the O R & N Company from Elgin through the Wal-lowa valley. Mr Morrow when questioned regarding when construction he declined to state, but said that the road would be completed in the near future. Mr Morrow is a former La Grander as he was a resident of this city when the railroad was simply something for dreamers to talk about and few if any really expected the steam horse to ever disturb the solitude of this serene valley.
