The Huckleberries will not be a full crop owing to the frost.

Mr. George Bartness left last night for a business visit of several days to Walla Walla.

Attorney Leroy Lomax of Baker City was in La Grande yesterday on legal business.

Mr. Port Roberts returned from Elgin, last evening, where he has been at work for the past month.

Mr. P. L. Story, Superintendent of Bridges of the O R & N, is in the city on business today.

Councilman G E Fowler, who was able to come to his office yesterday, is not so well today.

Harry Gilham, Washington's land agent, who has been in the city visiting his brothers, returned to his Dayton home this morning.

Mr. W H Bussard left this forenoon on the Elgin branch for Wallowa county, where he goes to do line work on the phone system in that county, as well as make the needed office repairs. V Edwards has his goat team sufficiently tamed as to be able to drive them up town this afternoon. They make a very striking appearance.

Mr. Aaron Wade and family, of Wallowa county, arrived in the city yesterday and left this morning for a visit to the Lewis and Clark exposition.

Mrs. W Allison, Mrs. Fred Kiddle, Mrs. Fred Swaney and her sister Mrs. Jackson of Council Bluffs, and Miss Bark, left this morning for Portland, where they will visit the fair and then spend a few days at the coast.

Mr. A A Harper, wife and daughter, of Davenport, Nebraska, stopped over in the city last night enroute to Portland. After visiting Portland and the fair, they will visit relatives in California before returning to their home.

It is unnecessary to say that it was warm some in La Grande today, the Government thermometer registering ninety degrees at the warmest period. However we should feel thankful it is no worse, after reading the reports of deaths and prostrations in other cities.

About 4 1/2 miles south of La Grande is a pleasant little ranch of 40 acres, the property of Harvey Clark. Last year he set out, as a trial crop, 1/2 acre of Hood River strawberries, and cared for them. Without irrigation, this year, without further care, they are bearing fine, large, solid berries. Potatoes planted about two months ago are in bloom and grain is three feet high. There has been no frost or drought to injure the crops.

Mr and Mrs A T Hill and daughter Alice, returned this morning from a trip to Portland, Willamette valley and points on the coast.

WICKLESS OIL STOVE

which gives perfect satisfaction and makes cooking a pleasure. I also have the celebrated

PEERLESS ICE CREAM FREERER

MRS. T. N. MURPHY,
