CLARENCE KIRKLAND IS KILLED

The Observer is this morning in receipt of a notification of the death of Clarence Kirkland, who was killed last week near Cle Elum, Wash. Clarence lived in La Grande most of his life, and was well liked and respected by all who knew him, and his friends and acquaintances will be pained to learn of his sudden death. The following extract from the Ellensburg Localizer, of July 13, is the entire story of his death.

Clarence Kirkland a young man aged 21 years was instantly killed this morning while at work at Wright Bros logging camp about three miles from Cle Elum.

In company with his aged father and mother, Mr. and Mrs. W. B. Kirkland of Santa Anna Addition, he came to Ellensburg one year and a half ago, but only stayed here about two weeks, when he was employed by Wright Bros. and sent to their saw mill at Cle Elum where he has been employed in getting out logs nearly ever since.

This morning while loading logs, his glove accidentally caught in the hook of a chain and before he could extricate himself he was pulled over the log and pinned between it and another log already at the bottom of the skid to be axed and crushed. He was not lacerated about the head very much but was caught about his breast and so badly crushed it is supposed it stopped the action of the heart and he only gasped twice after being released.

The body was immediately taken to Cle Elum and prepared for shipment to Ellensburg and will arrive this evening on No. 16.

John Morrison was sent down from the saw mill at Cle Elum to convey the sad news to the aged parents. It is needless to say that they are prostrated by the sudden shock.

The boy was the youngest child of four children and the first one to be taken from the parents by death. No arrangements have yet been made for the funeral.

FUNERAL TODAY

The funeral of Clarence Kirkland who was killed at Cle Elum yesterday morning took place this afternoon at 3 o'clock from the family residence, Rea C H Hilton, officiating.

Mr. Kirkland was a steady, industrious young man of good moral character and had very warm friends among his acquaintances and will be sadly missed by his aged parents, to whom he was a great comfort. His untimely death is deeply regretted by all who knew him.

Louis J. Kruger, ex-champion long distance foot racer of Germany and Holland, writes Oct 27 1901; "During my training of eight weeks' foot races at Salt Lake City, in April last, I used Ballard's Snow Linctment to my greatest satisfaction. Therefore, I recommend Snow Linctment to all who are troubled with sprains, bruises or rheumatism." 25c, 50c, \$1.00 bottle. Newlin Drug Co.

A Grim Tragedy

Is daily enacted, in thousands of homes as Death claims, in each one, another victim of Consumption or Pneumonia. But when Coughs and Colds are properly treated, the tragedy is averted. F. G. Huntley, of Oakland, Ind, writes "My wife had the consumption and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds which cured her, and today she is well and strong." It kills the germs of all diseases. One dose relieves. Guaranteed at 50c and \$1 by Newlin Drug Co., druggist. Trial bottle free.

BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burbank Testifies After Four Years.

"About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."
