firm has taken possession. The new  
proprietors are both well known horse  
men and there is every reason to be-  
lieve that they will be successful in

effort to keep down his extra weight.

Mr E B Womack, of Mangum Ok-  
lahoma, who has been visiting the

paid this office a pleasant call. Mr  
Womack lived here in this valley twenty-  
years ago, and stopped over to see  
what changes had been made in La  
Grande and the Grande Ronde valley.  
He expressed himself as being very  
much surprised at the progress which  
had been made since he was here last,  
and it was hard for him to find a sin-  
gle landmark which he knew. After  
spending the day here, he returned  
last night to his home.

**STEAMER GROUNDS  
WITH EXCURSION**

By Scripps News Association  
New York July 21—The steamer  
Cirius, with a Sunday school excursion  
from the Olivette memorial church  
aboard, ran aground on the east side  
of Riker's Island at eleven o'clock  
this morning. It is reported that the  
boat is leaking, but there is no danger  
to those aboard. The scene of the  
grounding is near that of the General  
Slocum disaster.

**Favor Britt**

dulging only in short walks. Both of

**OIL STOVES**

Now is the time to keep cool. If you fire up the  
kitchen the kitchen will be hot most of the day.  
Why not get an oil or gasoline stove to do your cook-  
ing and baking, and at the same time have a cool  
kitchen. I have the

**WICKLESS OIL STOVE**

which gives perfect satisfaction and makes cooking  
a pleasure. I also have the celebrated

**Grange Meeting**

Blue Mountain Grange met in regu-  
lar session July 19. The attendance  
was good and the meeting one of the  
most enthusiastic and interesting of  
the season, two new members were ad-  
mitted and after the business was dis-  
posed of the Lecturer furnished an ex-  
cellent program.

Among the interesting features were  
short talks on the Lewis and Clark  
fair by members who have visited the  
Exposition. All agreed the govern-  
ment exhibit the most interesting and  
instructive and all expressed disap-  
pointment in the Union county ex-  
hibit.

"Farmers Vacation" by Mrs. J A  
Holman proved that farmers need a  
vacation quite as much as people of  
other occupations.

"Ten Reasons Why Jerseys Pay" by  
J W McAllister, was very instructive  
showing that the Jersey cows lose to  
keep and produce more butter than  
other herds. Mr. McAllister also  
spoke of the advantages of the Jersey  
over the Swiss, Holstein and Short  
horn cattle for dairying purposes.

Mrs. Fraker read an article on "The  
World's Largest Grange." It is in  
Pennsylvania, has a membership of  
over eight hundred, owns and operates  
a starch factory, a store, blacksmith  
shop and has its own insurance com-  
pany.

Several members spoke of patroniz-  
ing home industries, and were of the  
opinion that it was as much the duty  
of our merchants to patronize home  
industries as the farmers.
