PITCHER OSBURN THE WHOLE SHOW

The La Grande Base ball team composed mostly of substitutes journeyed to Huntington yesterday where they met that aggregation and to say they "did things" with the sugarbush boys is putting it rather mildly.

Among the La Grande subs was a man by the name of Osburn, who said he was a pitcher and he certainly proved to be a wonder, striking out sixteen men and allowing but six widely scattered hits. The final score stood 20 to 3, the three runs scored by the Huntington team being simply in the line of donation.

Manager Murphy is highly elated over the showing of the home boys and will endeavor to bring the Walla Walla team here sometime in the near future, as he considers that team the only one capable of giving the La Grande boys a good game.
