Tent Meetings

The subject to be given at the tent this evening is "The Signs of Christ's Second Coming."

The subject for tomorrow evening is "History of the Great Nations of the Earth in the Light of Prophecy."

The following is a short resume of Rev. Saxby's sermon at the tent meeting and will furnish food for considerable thought for those who wish to hunt up the numerous references.

THE HOME OF THE SAVED

Blessed are the meek for they shall inherit the earth Matt. 5:5. God's original plan will be carried out Isa. 45:18. The dominion given to Adam Gen. 1:26 passed to Satan when man yielded to him. He was well aware of the fact Luke 4:6. He is called the God of this world 2 Cor. 4:4. God made a great promise to Abraham and his seed Gen. 13:14-15. It included more than it really seemed at first Rom. 4:1. Who was his seed in the promise? Gal. 3:16. Question, how do we come in for a part in the inheritance of Abraham? Gal. 3:29. All that was lost in the first Adam will be regained in the second Adam or Christ Micah 4:8. This earth will be renewed by fire before given to the saints 2 Pet. 3:10-13., Jas. 5:17. It will be as beautiful as in the beginning Isa. 51:3. It will have a magnificent capitol, see John 14:1-3 and Rev. 21st chapter. God's will will then be as fully carried out here as in heaven Matt. 6:10, Matt. 5:5.

TO USE ELECTRIC POWER

Mr. Ed Kiddle, of the well known milling firm of Kiddle Bros. & Co., was in the city today and closed a contract with the Grande Ronde Electric Co., and just as soon as the change can be made and the electric motors can be placed in position, the Pioneer Flouring mills of Island City and the La Grande Flouring Mill will be operated by electricity. This will be the means of a great saving in the operation of the two mills, especially the La Grande mill which is now running by steam, which is necessarily expensive. This is the first large contract the new power company has closed but the other large power users will soon fall in line as it is cheaper and more reliable than steam.

Ball Game Sunday

The third game of the series between the Elgin and La Grande teams will be played in this city next Sunday and an interesting game is looked for. At present, La Grande has the best team that has represented this city for several seasons. Meanwhile Elgin, since their defeat by the La Grande boys a few weeks ago, have been making every effort to strengthen their lineup and they may surprise somebody.

Osburn, the "phenom" will pitch for La Grande, and it will be worth the price of admission to see him work.

Manager Murphy is also in correspondence with the management of the Butte, Montana, team in regard to two games to be played in this city August 12 and 13, and if these games are arranged for, it would be a treat to La Grande fans.

J W O'Ryann, of North Powder, is in La Grande today on a business visit.
