Dave Woodard's Bones Found Near Elgin

Wednesday of this week Bally Shelton and Geo. Garwood, who are running Mack Shelton's sheep in the mountains north of this city, found the bones of a man, says the Recorder. Bally Shelton was making his way through a thick patch of brush to a spring where the discovery was made. The bones were closely examined and only a few were missing. The place of the discovery is about three miles west of mud springs, and only a few miles north of Elgin.

The bones are supposed to be those of Dave Woodward who was lost in the mountains seven years ago this coming winter.

The story of the Woodward's disappearance is familiar to all who were living in Elgin at that time. In the

winter of 1899 Mr. Woodward was living at the toll gate on the summit of the Blue mountains. During the winter he came to Elgin after a load of supplies. He reached Elgin, secured his supplies, which were loaded on a hand sled, and started on snow shoes for his mountain home. The snow was very deep and large snow storms swept over the mountains after Mr. Woodward started on his return journey. He was quite an old man and, it is thought, lost his way and perished in the deep snow. Searching parties hunted the mountain over but no trace of the lost man was ever found. The bones found are undoubtedly those of the lost man and his relatives at Milton have been notified of the finding.

KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

FOLEY'S KIDNEY CURE

corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the whole system, and the diseases that have resulted from disordered Kidneys disappear, because the cause has been removed. Commence taking FOLEY'S KIDNEY CURE at the first sign of danger. Do not risk having Bright's Disease or Diabetes.

CURED OF BRIGHT'S DISEASE.

Mr. Robert G. Burke, Elmore, Saratoga Co., N. Y., writes:—I am glad to have an opportunity of telling what magnificent results I have had from using FOLEY'S KIDNEY CURE after having tried other advertised medicines and several physicians. Before I began I had to get up from 12 to 20 times each night to relieve my bladder. I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family with dropsy and my eyesight was so impaired that I had given up hope of living when I was urged by a friend to try FOLEY'S KIDNEY CURE. One 50-cent bottle worked wonders, and before I had taken the third bottle the superfluous flesh had gone, as well as all other symptoms of Kidney trouble. My friends were surprised that I was cured, as they all thought I was going to die. Every few days some one comes from miles away to learn the name of the wonderful medicine that cured me of Bright's Disease, and not one that has tried it has failed to be benefited.

Two Sizes, 50 Cents and \$1.00.
