## SNAKE RIVER VERY LOW

The stage of water in the Snake river is now lower than it was at any period during the dry season of last year. In August last the lowest stage reached was one foot and one-tenth inch, while a one foot stage was recorded yesterday. All indications point to a lower stage being reached during the month as the snow has entirely disappeared from the mountains and there seems small prospect of rain.

The condition has seriously hampered steamboat navigation, although the O R & N is succeeding in maintaining its daily schedule between this point and Harpala. It is necessary to use the line at several points, but the steamers have been reaching here on good time. Yesterday was the first day that the boats were unable to reach the regular landing at the Snake river water front. The Spokane was compelled to stop off the side of the steamer Mountain Gem at the Lewiston Navigation company's dock and the passengers were transferred on the Mountain Gem.

### Cement Residence

The first residence to be made of cement blocks in this valley is now being erected by contractor E Reiland for A P Davis on his Willow Leaf farm near this city. The building will cover a ground surface of thirty by forty four feet, and will be two stories high. The work has the appearance of the very finest cut stone, and Mr Davis says after careful tests he is satisfied that the strength of the blocks is in every way equal to the best quality of natural stone. When this building is completed, it will certainly be a credit to Willow Leaf farm, and will be the advance guard of many more such buildings.

### Settled

The Taylor divorce suit, one of the most sensational cases ever heard in the courts of Umatilla county, has at last been terminated, the decision of the lower court having been sustained by the supreme court.

### Russian Treasury Looted

Opotoff, Russian Poland August 7—Early this morning the local treasury was attacked by 40 armed men who killed or wounded all the watchmen guarding the buildings. The robbers secured \$10,000.

### Popular With Spinsters

Lafayette, Ind., has a newspaper which is Cupid's sanatorium, says the Ohio State Journal, and all the old maids in that section of the country are seeking the job of society reporter because every girl who gets the position is sure to be promoted and given the title "wife."

## Must Answer Wednesday

The case of the State of Oregon vs Henry Bellmar which was to have been tried before Justice Hough this forenoon, was postponed until 10 o'clock Wednesday.

The complaint alleges some very inhuman acts, in fact the charge is an assault inflicted, on August 3rd, upon Henry Bellmar Jr., with intent to kill, by beating, bruising and wounding, by the defendant with the butt end of a buggy whip, by striking over the arms, head and body.

The prosecuting witness is J F Phy, and the one who received the punishment is Henry Bellmar, the nine year old son of the defendant. A number of witnesses have been summoned on both sides. If the boy was punished as charged in the complaint, it is well that the case is receiving the attention of the officials.

### Proebstel Mine

On the south side of the west fork of Rock Creek is located the Proebstel property, which is making a good showing. Much hard and persistent work is uncovering a big body of ore that gives every promise of permanency. The property is on the same side of the gulch as the Chorlde and Platts group and almost opposite the South Pole. A tunnel of 900 feet has been driven on the vein attaining a depth of 500 feet. The lead is very strong and is some 15 feet wide, a streak 4 feet wide, runs through the vein and assays \$30 in gold and silver principally gold.—Sampler American.

### Indigestion

With its companions, heart burn, flatulence, torpidity of the liver, constipation, palpitation of the heart, poor blood headache and other nervous symptoms, sallow skin, foul tongue, offensive breath and legion of other ailments, is at once the most widespread and destructive malady among the American people. The Herbine treatments will cure all these troubles. See bottle Newlin Drug Co
