## Prussian Prince Arrested

Berlin, Aug 8.—Prince Frederick Henry, eldest son of Prince Albrecht of Prussia, was arrested as a spy by the guards at the east battery in Swinemünde, Pomerania, Saturday. The prince ordinary dress and was photographing the environs of the fort. When apprehended he said he was Prince Frederick Henry, but the guards told him they were "not to be fooled." The prince went quietly with one of the guards to the commandant of the fort, who recognized him and ordered his release.

### One of The Family

A Jefferson City lady decided to scare her husband, who was quite a hard drinker, so he would reform. To do this she procured the costume of a devil he had worn in a masquerade. The next time the erring spouse came home feeling happy she quickly donned the costume. As he opened the door she stepped forward and said in sepulchral tones: "Come with me—I am the devil!"

The result rather startled her as the response which greeted her was, "Zat so? Shake, ol' boy: I'm your brother-in-law. I married your sister."

## BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

## FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

### How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

### G. B. Burhans Testifies After Four Years.

G. B. Burhans of Christie Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

### Can This Be True

The action of the O R & N Company is deciding to build to the mouth of the Willows and crowding out all competitors is an indication that this valley is as far from the railroad as ever. In fact it will be more completely "bottled up" than heretofore. The distance from the "Bridge" down to the mouth of the river is as great as the distance to Elgin, besides it would cost the county \$25,000 to build a wagon road through that rugged canyon.—Willows Democrat.

## To be a New President

Seattle, Aug 8.—Louis W Hill, first vice president of the Great Northern railway, announced today that he would be elected president and Howard Jones vice president of the Great Northern Steamship Company J D Farrell, who resigned a few weeks ago, will remain president of the company until a meeting is held to effect Mr. Hill's election. Howard Jones, due here now, will be in active control of the steamship company. There will be no successor made to Mr. Farrell, assistant to the president of the Great Northern, but the duties of L O Gilman, western counsel, will be enlarged so that he will have charge of all matters in the northwest. L W Hill is here at the head of a party of Great Northern officials. Mr. Hill announces that his father, J J Hill, president of the Great Northern, will come west in two weeks, making the first westward tour in a year and a half.

## Must Have Peace

Berlin, Aug 7.—Portsmouth, N H a place unknown and even unmarked on some maps in common use, has suddenly become a spot on which the attention of the diplomatic world is fixed. Not only the foreign office, but the Kaiser and the great trading and financial houses of Germany look forward with extreme interest to the meeting of the peace on voys and numerous Russian enterprises, old and new, financed by German credit, waits on the results of the conference.

The doubt existing in London and other capitals over the prospects of peace exist here but in a far milder form. The prevailing opinion is that, although neither Russia nor Japan is anywhere near the exhaustion of its resources yet, peace is necessary to both and that each will be reluctant to withdraw from the negotiations, once they are begun with out attaining peace. It is believed in official quarters that each side will find the other adopting a "stiff" attitude in the beginning and coming close to the breaking point, but ultimately a common ground will be reached.

### Perish in Fire

Oakland, Cal., Aug. 8.—Three children were fatally burned last night as the result of a lamp explosion in East Oakland. They were the children of Antone Ferreira—Antone, aged 6; Alfred, aged 3, and Taisino, aged 4.

When the explosion occurred the mother was outside the house. She ran in and rescued her baby. Neighbors were attracted to the scene, and when the mother attempted to return to the house for her other children the neighbors misunderstood her objection and restrained her. They did not learn that there were children in the house until it was too late.
