**CHINESE BOYCOTT
IN YOKOHAMA**

Yokohama Aug 8—Chinese here
have agreed not to deal in American
goods, not to ship goods on any American
steamer, especially the Pacific
Mail company's steamship China, and
to punish any Chinese dealing in
American goods; not to deal with
American banks and insurance com-
panies. Chinese convicted of contra-
vening this agreement will be heavily
fined. Henry D Miller, American

matter and keeping a close watch on
the situation.

Held Up Fifteen

Gazette Cal August 8th—Behuks
Brothers' saloon was entered Saturday
by a masked robber who held up
fifteen men. Laying his revolver on
the bar he commanded the men to
line up and step forward one at a time
and deposit their valuables. He got
about \$100 from the crowd and took
\$68 from the register. He was heavily
masked and is known to have taken
the north-bound train.

The Carnival

In view of the fact that the Carnival
begins in the city Monday, Aug 14, it
is not amiss to mention a few of the
attractions which will be found on the
Midway.

The "Coon Town 400" is a show
composed of 14 finished colored actors,
every one a specialist. Coon shooters,
coke waiters, monologists, buck and
wing dancers, and, in fact, a perfect
array of talent that many of the
citizens of this town have paid a
dollar often to see.

The scene presented is a cotton field
in Dixie before the war. There you
will see the cotton pickers singing old
plantation songs whilst doing their
tasks. Then the scene shifts, and the
performers do up-to-date song and
dances which are pleasing to the
senses.

Every where these colored perform-
ers have appeared, they have met
with heartiest approval from Press
and public. You must see "Coon-
town 400" to appreciate it. It is the
chief attraction among the many ex-
cellent side shows carried by Nat Riess
Southern Carnival Co.

There is another show also worthy
of notice. The Golden City. A show
for thinkers, a show also that amuses
the children. It consists of over 3000
automatons engaged in the various
occupations of every day life. There
will be seen the different types of Lo-
comotives; the first one invented, and
the latest model. In fact it is a task
too hard to enumerate 1000th part of
its charm and wonder. If you visit it
once you will come again.

In this connection it is timely to
state that any lady or child can visit
any of the various shows unattended,
as manager Riess lays special stress on
the fact that his 200 odd employees
are polite to all who visit his shows.

FOR SALE—4x5 folding Premo
cameras, new tripod, printing frames,
developing trays and six double
plate holders. Inquire Model Studio.

land to Clatsop and North Beach
points, are interchangeable and will
be honored on trains of this company
in either direction between Portland
