Another Electric Motor

The Stoddard Lumber Co, ordered a fifteen horse power electric motor to supplant their steam plant and will make the change upon its arrival. Here is an example which shows the superiority of electric power over steam. With out closely studying the details one at first thought might think that steam in a planing mill would be cheaper than any other power especially when the fuel used was chiefly the shaving and offal of the mill. Those who are acquainted with the business ability of Mr Stoddard know full well that there was a saving or he would never would have made the change.

MALARIA UNDERMINES THE HEALTH

When the germs of malaria enter the blood the entire health is affected, and if the blood is not purified of these germs and microbes, Chronic Sores and Ulcers, Liver Spots, Chills and Fever, Boils, Aches and Pains, and a great variety of troubles manifest themselves, and soon the entire system is undermined, leaving the sufferer a prey to a most miserable, weak and nervous condition.

918 W. Market St., Louisville, Ky.
For several years I suffered with Chills and Fever, caused by Malaria in my system, and each summer for several years I would have a relapse. Finally my physician prescribed S. S. S. I took a few bottles; this was about six years ago. It entirely cured me, and I have never been troubled since. I am sure no other medicine could have given me so complete and immediate relief, and I cannot speak too highly of S. S. S. My partner in business is now taking S. S. S. for an eruption of the skin, and a general run-down condition of the system, and although he has taken but one bottle, already commences to feel better.
I. SHAPOFF.

S. S. S. counteracts and drives all the poison from the blood and builds up the system by its fine purifying qualities and tonic effects. It strengthens every part, increases the appetite, helps the stomach and digestion, and by supplying the body with rich, pure blood, cures Malaria and all its disagreeable ailments. Unlike most blood medicines S. S. S. is purely vegetable. It does not contain a particle of mineral of any kind to disagreeably affect the stomach, digestion and bowels, but by cleansing and strengthening the blood, puts every part of the body in healthy condition. Book on the blood and any medical advice desired without charge.
