Dry and Hot.
Mr E Rinehart of Walla Walla, was a caller in our town Tuesday.

Miss Maggie Mills has been quite sick with the asthma but is improving some now.

R W Mochell returned home Monday from Portland.

The infant daughter of Mr and Mrs E T Tice is quite sick.

Mr Lot Elmer returned home Saturday from Walla Walla where he has been visiting.

Good Move

There is a movement on foot in Baker City to organize an Eastern Oregon Development League. The object is to look after easterners returning from the fair and induce them to stop off at some points in Eastern Oregon and look over the country. The towns which it is proposed to include are Baker City, La Grande and Pendleton.—Baker City Herald

Under Control

Captain Alexander returned this morning the scene of the forest fire which has been raging near Elgin for several days. He was looking after the governments interest in the forest. He states that the fire is now under control and the damage will not be great.

A Suggestion

Now we would suggest to the people of Pendleton that they organize an excursion and come to Baker City next Sunday. There is a delightful climate, plenty of ice cream, soda water, cigars, bread meat and fish bait to be had in any quantities here. Come along, good people of Pendleton and we will treat you right.—Baker City Herald.

MALARIA

UNDERMINES THE HEALTH

When the germs of malaria enter the blood the entire health is affected, and if the blood is not purified of these germs and microbes, Chronic Sores and Ulcers, Liver Spots, Chills and Fever, Boils, Aches and Pains, and a great variety of troubles manifest themselves, and soon the entire system is undermined, leaving the sufferer a prey to a most miserable, weak and nervous condition.

913 W. Market St., Louisville, Ky.
For several years I suffered with Chills and Fever, caused by Malaria in my system, and each summer for several years I would have a relapse. Finally my physician prescribed S. S. S. I took a few bottles; this was about six years ago. It entirely cured me, and I have never been troubled since. I am sure no other medicine could have given me so complete and immediate relief. I cannot speak too highly of S. S. S. My partner in business is now taking S. S. S. for an eruption of the skin, and a general run-down condition of the system, and although he has taken but one bottle, already commences to feel better.
I. SHAPOFF.

S. S. S. counteracts and drives all the poison from the blood and builds up the system by its fine purifying qualities and tonic effects. It strengthens every part, increases the appetite, helps the stomach and digestion, and by supplying the body with rich, pure blood, cures Malaria and all its disagreeable ailments. Unlike most blood medicines S. S. S. is purely vegetable. It does not contain a particle of mineral of any kind to disagreeably affect the stomach, digestion and bowels, but by cleansing and strengthening the blood, puts every part of the body in healthy condition. Book on the blood and any medical advice desired without charge.

You don't have to hire a Cab

The La Salle Street Station in Chicago, which is used by the trains of the Rock Island System, is located in the very heart of the city, less than a block from the Board of Trade; less than two blocks from the Post Office; within easy walking distance of the principal hotels, theatres and stores.

You don't have to hire a cab to reach them. The "union loop" is right in front of the station. Pay 5 cents, get aboard the elevated, and you are whisked to any part of town you wish to reach.

Let me give you other reasons why you should use the Rock Island System. There are lots of them.
