No More Racing

By Scripps News Association

Portland, Aug 15.—Circuit Judge Frazier today made permanent the injunction recently granted against pool selling at the Irvington race course. This ends pool selling in the state of Oregon, and is practically the death knell to racing in this state.

Kolb and Dill

Coming to Steward's Opera House on Monday August 21 for one night Kolb and Dill, the world's famous German Comedians, will appear here for the first time on the Pacific Coast in their very latest and successful musical farce "I O U." It is needless to say what these gentlemen have done during their engagement in San Francisco where they have had a record of over two and one half years at the famous Fischer's Burlesque House where they turned people away nightly by their great comedy work which has been endorsed by press and public during their record breaking engagement. In presenting their very latest musical farce, by a well known San Francisco journalist, they have spared no expense in giving this play a production both from a scenic effect and an all star cast.

Tent Meetings

The subject for the meeting this evening is "The Perpetuity of the Law of God." Tomorrow evening Professor M. E. Cady, President of Walla Walla College, will speak on "Christian Education."

A Wart or Pimple

MAY BE CANCEROUS.

When a wart, mole or pimple shows any sign of tenderness it is a warning that bad blood is behind it. Often these places are on the face, hands, legs or other part of the body for years, and give no sign to cause uneasiness, and when with a little rough handling, a slight cut or bruise will develop into a sore that refuses to heal, and the sufferer finds himself afflicted with a cancerous ulcer.

About three years ago a blister came on the right side of my nose. It grew speedily in spite of all efforts to heal it up; the pain was not very severe at first, but increased when the sore began to inflame and discharge matter. At times the place would scab over and appear to be getting well, but the scab would drop off, leaving a red, angry looking ulcer. I had almost despaired of ever curing it, when my attention was called to S. S. S., and after taking a few bottles the sore began to gradually grow smaller, the discharge stopped and I was cured.

Owensboro, Ky. JNO. MASSIE.
If the blood is pure and healthy these sores cannot exist. S. S. S. is the ideal blood purifier. It cleanses the blood of all poisons and impurities, making it strong and vigorous and able to supply the body with the strength and nourishment it needs. There is nothing that acts so promptly as S. S. S., toning up the entire system, helping the general health and curing sores permanently. Do not let a wart or pimple develop into a cancerous ulcer, but purify your blood with S. S. S. It is nature's remedy, purely vegetable, and while driving all poisons from the blood, will build up every part of the system. Book on the blood and any medical advice desired will be given without charge, to all who write.
