Missionary Convention Convenes To-Night

Will Continue Until August 24 in San Francisco

MANY IN ATTENDANCE

San Francisco, August 16.—At Alhambra theater this evening the annual International Missionary Convention of the Christian churches will be informally opened by a cantata "The Ten Virgins." All of the prominent soloists of this city will take part and the chorus will be formed of 300 voices. Tomorrow the convention will be opened by the session of the Christian Women's Board of Missions. The hotels are rapidly filling with members of the Christian church from all the states and from foreign lands, attracted by the noted divines who are to participate in the convention.

The organizations which will convene and their officers are: The Christian Women's Board of Missions, President Mrs. N. E. Atkinson, Indianapolis, Ind.; Secretary Mrs. Helen O. Moses of the same city. Foreign Christian Missionary Society, President A. McLean, Corresponding Secretary F. M. Rains, American Christian Missionary Society, President E. L. Powell, Louisville, Kentucky, Secretary Benjamin Lyons Smith, Cincinnati, O.; American Board of Churches, Board of Negro Evangelization, Secretary C. C. Smith. Board of Christian Expansion, President D. O. Smart; Corresponding Secretary G. W. Muckley. Board of Ministerial Relief,

President A. L. Orcutt, Indianapolis, Secretary A. B. Philpott, Indianapolis. National Benevolent Association, President H. M. Meier; Secretary Geo. L. Saldley. National Christian Endeavor Union, Corresponding Secretary R. H. Waggener, Kansas City.

On Saturday night the big rally of the convention will be held in Woodward's Pavilion, when the Christian Endeavor will conduct a huge meeting. The pavilion, where the rally will be held, has a varied experience. It has been the scene of many prize fights, but a rostrum will supplant the prize ring.

Among the prominent clergymen who are in the city to attend the convention is the Rev. Chas. Reigh Scoville of the Metropolitan Church of Christ, Chicago. Dr. Scoville is the most successful of all the evangelists of his denomination, and holds the record for making converts. At a revival recently conducted at Paril, Ill., this vigorous and eloquent minister converted ten percent of the entire population. There are 7500 souls in Paril and of these 748 confessed religion during the 52 days Dr. Scoville was in that city.

The conventions are to be in session until the 24th.

Praises County's Exhibit

Editor Observer,
Dear Editor—

I am now seated in the Union county Exhibit Department at the Lewis and Clark fair, which I must say is a grand affair. The person who does not visit the fair some time during the summer will miss one of the oasis in life that has to be seen to be appreciated. It is worth all it costs just to see the grounds and people and to study human nature and genius, to say nothing of the many, many grand displays of everything that human genius can produce. The words simply immense, only mildly states it.

From where I sit I can look upon the Eastern Oregon Experimental Station which I believe is the best on the whole grounds, and every man, woman and child from Eastern Oregon should about the praises of the management of that institution.

The Union county exhibit is not the worst on the ground, and many useful articles are on our tables, but we need more. I know whereof I speak when I say that if our people will do what they can, Union county can be made to shine among the bright stars here if only each one will do a little. I am proud of what little we have here and say it is equal to any other. So friends of Union county, get a move on you and send your stuff along.

The vitch that Mrs. S. E. Williamson sent is the best on the grounds. So don't think your little might not be worth sending, but send it along and try to get your neighbors to do likewise.

Now as to accommodations; we are now located within two blocks of the entrance to the grounds, good rooms ready furnished for two, at \$1 per day. Meals, more than you can eat for 25 cents. Lunches from 10 cents up. So don't be afraid of being robbed by getting too near the grounds.

We are now having one of the best of times. There is not a sack of flour or any manufactured grains from our county except from North Powder, so Mr. Miller get a twist on you and fill up some of this vacant space.

The sugar company have their business shown up, from the best as it comes from the field, to the finished product, which attracts much attention.

More anon,
O. D. HUFFMAN.

CATARRH A UNIVERSAL DISEASE

Catarrh usually begins with a cold in the head, but does not stop there. The mucous membranes all become inflamed and secrete a filthy, unhealthy matter which is absorbed by the blood and distributed to all parts of the body. The patient is then continually hawking and spitting, the nose is stopped up, the ears have a ringing or buzzing noise, the throat becomes sore, and as the unhealthy matter more thoroughly saturates the blood a general feeling of despondency takes possession of the system.

I had Catarrh for about fifteen years, and no man could have been worse. I tried everything I could hear of, but no good resulted. I then began S. S. S., and could see a little improvement from the first bottle, and after taking it a short while was cured. This was six years ago, and I am as well today as any man. I think Catarrh is a blood disease, and know there is nothing on earth better for the blood than S. S. S. Nobody thinks more of S. S. S. than I do. Lapeer, Mich. M. MATSON.

Local applications cannot cure Catarrh, because they do not reach the seat of the trouble. They allay the inflammation and temporarily relieve the disease, but as soon as they are left off the trouble returns. The only way to cure Catarrh is to treat it through the blood. S. S. S. soon clears the blood of all Catarrhal matter and purges it of all irritating poisons, checks further progress of the trouble and completely cures the disease. S. S. S. keeps the blood in perfect order so that it can eliminate all waste matter that will produce Catarrh. Nothing equals S. S. S. in the cure of this disease. Write for our book and any medical advice you wish. We make no charge for either.
