A Grim Tragedy

is daily enacted, in thousands of homes as Death claims, in each one, another victim of Consumption or Pneumonia. But when Coughs and Colds are properly treated, the tragedy is averted. F. G. Huntley, of Oakland, Ind., writes "My wife had the consumption and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds which cured her, and today she is well and strong." It kills the germs of all diseases. One dose relieves. Guaranteed at 50c and \$1 by Newlin Drug Co., druggist. Trial bottle free.

Croup

is a violent inflammation of the mucous membrane of the wind pipe, which sometimes extends to the larynx and bronchial tubes; and is one of the most dangerous diseases of children. It almost always comes on in the night (give frequent small doses of Ballard's Horehound Syrup and apply Ballard's Liniment externally to the throat 25c, 50c, \$1.00, Newlin Drug Co

Last Day Of Reis' Carnival

This is the last day of the Redmen Carnival, and Street Fair. Before another sun shall have arisen the tents will have been taken down, and the only evidence of the late festivities will be the bits of colored paper on the street and the holes where the tent stakes once set. Taking the carnival as a whole it was a success, and the Redmen have no reason to regret that they gave a street fair. The shows were all good and as represented, and the public has had no reason to be disappointed with the carnival. The many shows have all been clean and judged from the standard of street shows above the average. The Nat Reis Carnival Company has made good every promise, and leaves with the well wishes of those with whom they have transacted business. This evening all the shows will be running to capacity, and the fire drive will take place as usual. The great stadium will again entertain the multitude with its many acts of daring, and skill. The Redmen Carnival and Street Fair was certainly a success from beginning to end.

A Really Good Show

At the Steward Opera House Monday evening Aug 21. Those Merry Monarchs of Convulsing Comedy, Kolb and Dill are headed this way in "I. O. U." With them comes a company strong in number, a bevy of pretty girls, a car load of scenery and trunks of handsome costumes. It is to laugh when the curtain rises on their engagement here. Holding a record of 708 consecutive nights in San Francisco, and 289 nights in New York city should prove a sufficient guarantee of their excellence to the most skeptical. With them is Edith Mason, the comic opera star as leading lady; Tom Perese, the well known tenor; that notorious comedian, Ben Dillon, W. F. Cross, Hickman, Bain, Marshall and Midot.

We shall see the Beauty chorus, the electrical stage effects in all their glory and the celebrated Australian Maori dance.

"I. O. U." is described as a satire on trusts, corporations etc. and is from the pen of Jackson C. Bruce while the musical portion of it was written by Lee Johnston. The comedians have been meeting with great success every where and the engagement here will be no exception to the rule. The Portland papers claim "I. O. U." to be the greatest attraction of the kind ever seen there and La Grande gets the very same. Its an attraction you cannot let go by without seeing. Seats on sale Saturday.

"THE HOTTEST COON IN DIXIE"

What Frank Daniels and Francis Wilson are to recognized comic opera, so are Williams & Stevens to the ragtime revelation, "The Hottest Coon in Dixie." These colored comedians are uniquely original in method, possessing the instinctive spirit of fun, and their every move and saying is provocative of unrestrained merriment. The prima donna, Miss Mamie Blanton, has been truly termed the Lillian Russell of the colored stage, the possessor of a voice whose every note is linked sweetness. The other members of the company are exceptionally talented, while the chorus rejoices in a rich dusky beauty of its own.

"The Hottest Coon in Dixie" will be presented under the new big tent theatre which will be erected opposite the high school building, next Friday evening, Aug 25

Thresher Wrecked

A threshing machine belonging to Jas. Wickens, Walter Hill and Wm. and Emil Miller, of the Flat was overturned Tuesday and damaged beyond repair. The thresher was coupled to the engine and was being moved from Mrs. May Druggers farm to the farm originally belonging to Henry Hug, but now the property of A. J. Tucker. In reaching the desired setting it was necessary to pull up a steep incline near Mr. Tucker's residence, and in going up the clutch on the engine gave way and let the whole outfit run down the hill. The threshing machine was overturned several times and was smashed into by the engine. The thresher is a total wreck and cannot be repaired.—Elgin Recorder.

DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc. If you have any signs of Kidney or Bladder trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

Two Sizes, 50 Cents and \$1.00.
