A Grim Tragedy

Is daily enacted, in thousands of homes. Death claims, in each one, another victim of Consumption or Pneumonia. But when Coughs and Colds are properly treated, the tragedy is averted. F. G. Huntley, of Oakland, Ind., writes: "My wife had the consumption and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds which cured her, and today she is well and strong." It kills the germs of all diseases. One dose relieves. Guaranteed at 50c and \$1 by Newlin Drug Co., druggist. Trial bottle free.

Croup

Is a violent inflammation of the mucous membrane of the wind pipe, which sometimes extends to the larynx and bronchial tubes; and is one of the most dangerous diseases of children. It almost always comes on in the night. Give frequent small doses of Ballard's Horehound Syrup and apply Ballard's Liniment externally to the throat 25c, 50c, \$1.00, Newlin Drug Co.

Regulates the stomach and bowels, heals and soothes the little ones' stomachs and gives them a healthy and natural sleep. Hollister's Rocky Mountain Tea is the children's benefactor. 35 cents.—Newlin

Good Idea

United States Senators Ankeny and Piles, of the state of Washington, are arranging to visit every county in the state during the coming fall. They desire to meet the people of the various sections of the state and talk over pending and prospective Federal legislation and departmental business. The meetings on the trip will be entirely informal, but notifications will be sent to the commercial bodies in the cities and towns and the legislative delegations of the counties.

Freight Thieves

A systematic plan of stealing from the freight depot of the O. R. & N. was brought to light yesterday at Walla Walla after diligent investigation of several days by Detective Fitzgerald. The result is that two employees were yesterday arrested and one other escaped prosecution only by confessing when he was confronted with the charge.

Clatsop County

The population of Astoria is now 11,045 and of Clatsop county, 16,045. These figures are in both cases an increase of about 25 percent over the federal census of 1900.

PURE BLOOD INSURES A CLEAR SKIN

When Eczema, Acne, Tetter, Pimples, or other skin diseases make their appearance it is a sure sign that the blood is filled with humors and burning acids. These being forced through the pores and glands burn and blister the skin, producing the eruptions which are usually accompanied with intense itching, and are disfiguring and humiliating.

Years ago my blood was bad, as evidenced by skin eruptions on different parts of the body, and other symptoms, so I concluded to try S. S. S., knowing it to be highly spoken of. After using a number of bottles I do not remember now just how much my blood was thoroughly purified and enriched and I was relieved of all eruptions and manifestations of impure blood. I believe S. S. S. to be an excellent blood medicine, and any one in need of such a medicine would do well to use it. They will find it a perfect cure as it proved to be in my case. MRS. C. E. SHOEMAKER, Alliance, O., 616 E. Patterson St.

While external treatment relieves temporarily it does not reach the real cause of the disease, because it does not go into the blood. S. S. S., a perfect blood purifier, neutralizes these acids and humors, and by strengthening and toning up the Liver, Kidneys and Bowels, the natural channels of bodily waste, disposes of them instead of allowing them to be forced to the surface through the skin. S. S. S. is the greatest of all tonics for building up the entire system, increasing the appetite and helping the digestion. S. S. S. cures all skin diseases promptly and permanently, leaving the skin soft and smooth. Only by keeping the blood pure can we hope to have a clear skin. Leg Broken

Yesterday afternoon while coming down Fox hill with his wife and Albert Hunter and family, the wind blew so hard as to lift the vehicle out of the track and upset it, resulting in Fred Holmes, of the Island City M. & M. Co., receiving a fractured leg. He was brought to the office of Bacon & Hall where he received the proper attention. The fracture was in the left ankle and will be necessarily quite painful for some time. He was taken to his home at Island City in the evening.

Sickening Shivering Fits

of Ague and Malaria, can be relieved and cured with Electric Bitters. This is a pure, tonic medicine; of especial benefit in malaria, for it exerts a true curative influence on the disease, driving it entirely out of the system. It is much to be preferred to Quinine, having none of this drug's after-effects. E. S. Munday, of Henrietta, Tex., writes: "My brother was very low with malaria fever and jaundice, till he took Electric Bitters, which saved his life." At Newlin Drug Co. drug store; price 50c guaranteed.
