### A Grim Tragedy

Is daily enacted, in thousands of homes as death claims, in each one, another victim of Consumption or Pneumonia. But when Coughs and Colds are properly treated, the tragedy is averted. F. G. Huntley, of Oakland, Ind., writes "My wife had the consumption and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds which cured her, and today she is well and strong." It kills the germs of all diseases. One dose relieves. Guaranteed at 50c and \$1 by Newlin Drug Co., druggist. Trial bottle free.

### Croup

Is a violent inflammation of the mucous membrane of the wind pipe, which sometimes extends to the larynx and bronchial tubes; and is one of the most dangerous diseases of children. It almost always comes on in the night. Give frequent small doses of Ballard's Horehound Syrup and apply Ballard's Liniment externally to the throat 25c, 50c, \$1.00 Newlin Drug Co. Requires the stomach and bowels, heats and soothes the little ones' stomach and gives them a peaceful and natural sleep. Hollister's Rocky Mountain Tea is the children's benedictor. 35 cents - Newlin

## Bold Cattle Thieves

Baker City, Ore., Sept. 1 - Sheriff Brown is today in the eastern part of the county hot on the trail of a gang of cattle thieves who stole a band of cattle from a rancher named Sam Gover of Richland, near the Idaho boundary. It was one of the boldest robberies reported in this district for some time. Some time during Tuesday night the thieves came to the Gover ranch, took the cattle out of the yards and drove them off. The Idaho sheriff was notified the next morning and started in hot pursuit. He traced the gang to the Snake river where they crossed over opposite of Fliok's Bar into Oregon. The Idaho sheriff then notified Sheriff Brown who at once set out to assist in rounding up the rustlers. The exact number of cattle stolen could not be ascertained but their value will amount to several hundred dollars.

### Me Wakee, Too.

A traveling man is reported as saying that the Pacific coast Chinaman is much keener than the Chinaman of New York. He says "On my last trip I stopped at Santa Barbara, not in itself a very lively town, yet there are several all night resorts there. In an old adobe building that was originally the home of the first Governor of California under Spanish rule, Hi Lung now conducts a laundry. It may have other adjuncts, but it is primarily a laundry. On one side of Hi's establishment is a saloon, in front of which is a huge sign reading 'Open All Night.' On the other side is a restaurant with the sign, 'We Never Close.' Hi Lung recently determined to be as progressive as his neighbors, the result being a rudely lettered sign of his own manufacture, announcing: 'Me wakee, too.'"

Harriet Howard, of 209 W. 34th st., New York, at one time had her beauty spoiled with skin trouble. ## CONTAGIOUS BLOOD POISON

Contagious Blood Poison more thoroughly poisons the blood than any other disease. Every part of the body is affected when the virus becomes entrenched in the circulation; red eruptions break out on the skin, the mouth and throat ulcerate, glands in the neck and groins swell, the hair falls out, copper-colored spots appear on the body, etc.

I was afflicted with blood poison, and the best doctors did me no good, though I took their treatment faithfully. In fact I seemed to get worse all the while. I took almost every so-called blood remedy, but they did not seem to reach the disease, and had no effect whatever. I was disheartened, for it seemed that I would never be cured. At the advice of a friend I then took S. S. S. and began to improve. I continued the medicine, and it cured me completely. Hamlet, N. C. W. Z. NEWMAN.

So highly contagious is this disease that many a life has been ruined by a friendly hand shake or from using the toilet articles of one affected with the poison. To cure this hideous and hateful disease a constitutional remedy is required. S. S. S. goes down to the very root of the trouble and forces out every particle of the virus from the blood and cures the disease permanently. S. S. S. is purely vegetable and drives out the trouble, root and branch, and no signs of it are ever seen again. Those who have been cured by S. S. S. can feel assured that none of the poison is left in the blood to transmit to innocent offspring. The entire body is built up and the blood made pure, rich and healthy by this great remedy. Book with instructions for home treatment and any medical advice desired will be given free of charge.
