RECEIPTS AND EXPENDITURES

The feature of the monthly report of the government of the receipts and expenditures for the month of August is the exceptional increase shown in customs receipts, the excess over August, 1904 being \$3,762,608. The receipts from internal revenue sources also show an increase for the month of \$779,791. The total receipts for months are \$47,499,432, and the expenditures \$52,150,493, which leaves a deficit for the month of \$4,650,061. Last month the deficit was \$13,855,663 and for August, 1904, the deficit was \$6,343,212.

The civil and miscellaneous expenditures were a little over \$1,000,000 in excess of those for August, 1904, and those on account of the war department were nearly \$2,000,000 less than for August last year. The navy shows a slight increase.

Abscess.

W. H. Harrison, Cleveland, Miss., writes, Aug. 15, 1902: "I want to say a word of praise for Ballard's Snow Liniment. I stepped on a nail, which caused the cords in my leg to contract and an abscess to rise in my leg, and the doctor told me that I would have a stiff leg, so one day I went to J. F. Lord's drug store (who is now in Denver, Colo.) He recommended a bottle of Snow Liniment; I got a 50c size, and it cured my leg. It is the best liniment in the world. ABSCESSSES, with few exceptions, are indicative of constipation or debility. They may, however, result from blows or from foreign bodies, introduced into the skin or flesh, such as splinters, thorns, etc. Sold by Newlin Drug Co.

Neglected Glands.

Every part of the mucous membrane, the nose, throat, ears, head and lungs, etc., are subjected to disease and blight from neglected glands. Akondrick, Valley Mills, Texas, writes: "I have used Ballard's Horehound Syrup for coughs and throat troubles; it is a pleasant and most effective remedy." Sold by Newlin Drug Co.

Startling Mortality

Statistics show startling mortality from appendicitis and peritonitis. To prevent and cure these awful diseases, there is just one reliable remedy, Dr. King's New Life Pills. M. Flannery, of 14 Custom House Place, Chicago, says: "They have no equal for Constipation and Biliousness." 25c at Newlin Drug Co. druggist.

You don't have to hire a Cab

The La Salle Street Station in Chicago, which is used by the trains of the Rock Island System, is located in the very heart of the city, less than a block from the Board of Trade; less than two blocks from the Post Office; within easy walking distance of the principal hotels, theatres and stores.

You don't have to hire a cab to reach them. The "union loop" is right in front of the station. Pay 5 cents, get aboard the elevated, and you are whisked to any part of town you wish to reach.

Let me give you other reasons why you should use the Rock Island System. There are lots of them.
